Budget.

No. 133. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 26th November 1875, No. 5638:—

I have the honor to forward the Budget Estimate of the Madras Police for 1876-77. It amounts to Rs. 38,21,353, exceeding the estimate for 1875-76 by Rupees 81,002 as particularized in the margin.

	Rs.
Increase.	
Service Process	61,278
Sub-Inspectors	30,600
Head Constables, lower grades ...	4,392
Jail Guard	4,422
Salt Guard	7,365
Sub-Jail and other items	6,737
	1,14,794
Decrease.	
Head Constables, higher grades ...	33,792
Net ...	81,002

2. This increase is chiefly owing to the provision of 716 Constables at a cost of Rupees 61,278 for service of processes under the Court Fees Act as per Order of Government, No. 217 dated 1st February 1875, Judicial Department. The expense of this Force will be more than recouped by the fees levied. The next increase of importance is in consequence of the appointment of Sub-Inspectors at a cost of Rupees 30,600, agreeably to G.O., No. 1861, dated 23rd August 1875, Judicial Department. This increase, however, is covered by a re-adjustment of the grades of Head Constables as shown in the Government Order already quoted, so that there is no real increase under this head also. The Police Salt Guard Establishment has been strengthened in several districts at a cost of Rupees 7,365 in pay and allowances. Inclusive of the cost of clothing and contingencies the amount required for Salt guards is exhibited in the margin, showing a progressive increase. The item for Jail guards, which is of a fluctuating nature depending on the number of convicts requiring to be guarded as estimated by the Inspector-General of Jails, is also strengthened. These items together with other sundry increases make up a gross total of Rupees 1,14,794 against which there is a decrease of Rupees 33,792 caused by the reduction of certain Head Constables of higher grades made in consequence of the appointment of Sub-Inspectors above referred to.

Salt Guard.	Rs.
1874-75, Actual	1,54,751
1875-76, Estimate	1,89,346
1876-77, ,, ...	1,97,759

3. It will be seen from the foregoing that the real increase of expenditure (exclusive of Sub-Inspectors and Process serving Police) is only Rupees 19,724, of which Rupees 18,524 come under the heads of Jail and Salt guards. There are a few miscellaneous items of increase, such as Mounted Police horses, &c., which make up the total.

No. 134. ORDER THEREON, 27th December 1875, No. 2503.

The Budget Estimates of receipts and charges of the Police Force for 1876-77 amount to Rupees 20,310 and Rupees 38,21,353, respectively.

2. The receipts are under-estimated, whether compared with the actual receipts in 1873-74* or with those in 1874-75.† In the absence of any explanation on the point the estimate for 1876-77 will be raised from Rupees 20,310 to Rupees 26,000.

3. The attention of the Inspector-General will be drawn to the remarks in paragraph 2 of G.O., dated 29th December 1874, No. 2170, and to the fact that in the estimate now submitted the probable receipts in 1875-76 are entered at Rupees 20,310 instead of Rupees 26,000, the amount determined by Government in the order cited.

4. The charges, as given in the appended statement, exceed the actuals for both 1873-74‡ and 1874-75§ by Rupees 3,65,220 and Rupees 2,54,103, respectively, *viz.*:—

Total ...	35,67,250	37,40,351	38,21,353

5. There is an excess under the first head of Rupees 5,905 and Rupees 1,269 compared with the actual expenditure in 1874-75 and the estimate for 1875-76, provision having been made for increases of pay for the Senior Officers of Police, recently sanctioned by the Home Government—G.O., dated 22nd November 1875, No. 2468; and for the increase of pay for the Chief Clerk and Manager in the Inspector-General's Office—G.O., 23rd August 1875, No. 1861.

6. In the charge for "Rural and Town Executive Police Force," the excess over the actual expenditure in 1873-74 and 1874-75 is considerable, being no less than Rupees 3,10,476 and Rupees 2,56,594. The excess over the estimate for 1875-76 is, however, only Rupees 77,314. This is occasioned, as explained by the Inspector-General, chiefly by the organization, under the Orders of Government, dated the 1st February 1875, No. 217, of a staff of Constables for the service of processes at a charge of Rupees 61,278; by the Police Salt Guard Establishment having been strengthened in several districts at a cost of Rupees 7,365; and by a similar arrangement having been carried out in respect of Police Jail Guards at a charge of Rupees 11,159.

7. The charge for Salt Guards was hitherto included in the general Constabulary, but it is now for the first time shown separately. The staff consisted in

Proceedings of the Madras Government, Financial Department,
27th December 1875.

1874-75 of 1,667 men, in 1875-76 it was augmented to 2,031, and in 1876-77 it is proposed to augment it to 2,099. The charge in 1874-75 was Rupees 1,31,506, the estimates for 1875-76 and 1876-77 are Rupees 1,60,987 and Rupees 1,68,352, respectively.

8. The charge of Rupees 61,278 for the staff of Constables for the service of processes is recoverable from Imperial Services. The Accountant-General will distinctly understand this and adjust his accounts accordingly, until the receipt of the formal sanction of the Government of India which will be applied for on receipt of replies from the several District Magistrates to paragraph 6 of G.O., dated 1st February 1875, No. 217.

9. The "Village Police" has also been strengthened by an addition of nineteen men, the extra charge being Rupees 1,044.

10. The "Miscellaneous" charges are less than the expenditure in 1874-75 by Rupees 10,450, but exceed the estimate for 1875-76 by Rupees 1,375. Under this head fall the "Medical charges" in connection with the Police, amounting to Rupees 24,111 against Rupees 26,216 in 1874-75, and Rupees 23,436, the grant for the current year.

11. Deducting the charge of Rupees 61,278 from the aggregate estimated charges, the balance is Rupees 37,60,075, of which amount the Governor in Council resolves to make an allotment as in the present year of Rupees 36,00,000, within which the Inspector-General must arrange to keep the expenditure for the year.

Fort Saint George

Sir,

Enclosures. I have the honor to forward the Budget Estimate of the Madras Police for 1876-77 Amounts to Rupees 38,21,353 exceeding the Estimate for 1875/76 by Rupees 81,002 as particularized in the margin.

Increase.	
Service Process	61278
Sub Inspectors	30,600
Head Constables Lower Grades	4,392
Jail Guard	4,422
Salt Guard	7,365
Sub Jail and other items	6,737
Decrease.	114,794
Head Constables Higher Grades	33,792
Net	81,002

2. This increase is chiefly owing to the provision of 716 Constables at a cost of Rupees 61,278 for Service of Process under the Court fees Act as per Order of Government No. 217 dated 1st February 1875 J.D. The expense of this Force will be more than recouped by the fees levied. The next increase of importance is in consequence of the appointment of Sub Inspectors at a cost of Rupees 30,600 agreeably to G.O.

No 1861 dated 23d August 1875 J.D. This increase however is covered by a re-adjustment of the grades of Head Constables as shewn in the G.O. already quoted, so that there is no real increase under this head also. The Police Salt Guard Establishment has been strengthened in several Districts at a cost of Rupees 7,365 in Pay and allowances. Inclusive of the cost of clothing and Contingencies, the amount required for Salt Guards is exhibited in the margin — shewing a progressive increase. The item for Jail Guards, which is of a fluctuating nature depending on the number of Convicts requiring to be guarded as estimated by the Inspector General of Jails, is also strengthened. These items together with other sundry increases make up a gross total of Rupees 1,14,794 against which there is a decrease of Rupees 33,792 caused by the reduction of certain Head Constables of higher grades made in consequence of the appointment of Sub Inspectors above referred to.

1875/76 Estimate 180,346

3. It will be seen from the foregoing — that the real increase of expenditure (exclusive of Sub Inspectors and Process serving Police) is only Rupees 19,724 of which Rs 18,524 come under the heads of Jail and Salt Guards. There are a few miscellaneous items of increase such as mounted Police horses &c. which make up the total.

3. The attention of
the Inspector General
will be drawn to the
remarks in para 2 of

~~he will be requested~~

5. There is an excess
under the first head
of Rs 5,905. and Rs 1269
compared with the
actual expenditure in
1874-75 and the esti-
mate for 1875-76 - pro-

Govt - G.O. 27. 22nd November 1875. No 2468, and for the increase of pay for the Chief Clerk and Manager in the Inspector General's office - G.O. 23rd August 1875. No 1861.

6. In the charge for "Rural and Town Executive Police Forces", the excess over the actual expenditure in 1873-74 and 1874-75 is considerable, being no less than Rs 3,10,476 and Rs 2,56,594. The excess over the estimate for 1875-76 is, however, ~~not unfortunate~~ only Rs 77,314. This is occasioned, as explained by the Inspector General, chiefly by the organization, under the Orders of Govt dated the 10th February 1875. No 217, of a staff of Constables for the service of Processes at a charge of Rs 61,278; by the Police Salt Guard Establishment having been strengthened in several Districts at a cost of Rs 7,365; and by a similar arrangement having been carried out in respect of Police Jail Guards at a charge of Rs 11,159.

7. The charge for Salt Guards was hitherto included in the Rural Constabulary, but it is

is now for the first time shown separately.

The staff consisted in 1874-75 of 1664 men; in 1875-76 it was augmented to 2031, and in 1876-77 it is proposed to augment it to 2,099. The charge in 1874-75 was Rs 1,31,506, the estimates for 1875-76 and 1876-77 are Rs 1,60,987 and Rs 1,68,352. respectively

8. The charge of Rs 61,278 for the staff of constables for the service of processes is recoverable from Imperial Services. The Accountant General will distinctly understand this and adjust his accounts accordingly, until the receipt of the formal sanctions of the Govt. of India which will be applied for, on receipt of replies from the several District Magistrates to para. 6 of J.O. dated 1st February 1875. No. 217.

9. The "Village Police" has also been strengthened by an addition of 19 men, the extra charge being Rs 1,044.

10. The "Miscellaneous" charges are less than the expenditure in 1874-75 by Rs 10,450, but exceed the estimate for 1875-76 by Rs

Rs 1375. Under this head falls the "medical Charges" in connection with the Police, amounting to Rs 24,111 against Rs 26,216 in 1874-75, and Rs 23,436, the grant for the current year.

11. Deducting the charge of Rs 61,278 from the aggregate estimated charges, the balance is Rs 37,60,075, of which amount the Governor in Council resolves to make an allotment as in the present year, of Rs 36,00,000 within which the Inspector General must arrange to keep the expenditure for the year.
