No. 154. From E. RULE, Esq., Deputy Accountant-General, in charge of the Office of Accountant-General, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 19th October 1875, No. 433 (Budget Department).

In their Proceedings, No. 7,250, dated 10th August 1875 (copy accompanying), the Board of Revenue called upon this office to communicate to the Collector of Malabar the budget allotment for that district for 1875-76 on account of Miscellaneous Charges debitable to Provincial Services exclusive of the items noted in the margin. The Estimate for Provincial Services furnished to this office by Government not exhibiting the amounts separately for each district, I have caused a statement to be prepared showing what the actuals of each district for the past three years were under the four minor heads "Cost of books and publications," "Rewards for the destruction of wild animals," "Conservancy and municipalities," and "Miscellaneous and unforeseen charges." I have now the honor to lay this statement before Government showing how, in the opinion of this office, the grants for the several districts might be allotted, and in what instances the allotments of the current year are likely to be exceeded by the actuals as far as they are known at present.

Registration of Births and Deaths.

2. I beg to submit, also, for the consideration of Government, whether it would not be desirable that the annual estimates for most of these Miscellaneous charges, which are incurred by revenue officers and the bills for which are countersigned by the Board of Revenue, should, as is done in the case of Imperial Services, be prepared by the Collectors and revised by the Board of Revenue.

ENCLOSURE No. 1.—Statement.

The Governor in Council approves and sanctions the Accountant-General's suggestion, concurred in by the Board of Revenue, that the estimates of charges connected with the heads marginally noted should be submitted by Collectors direct to the Board for revision and inclusion in their Budget of Provincial Services.

2. The grant made from Imperial Funds to Provincial Services for Destruction* of wild animals, &c., is Rupees 24,780. The Accountant-General suggests that the allotment should be raised to Rupees 30,000, but the Government are not prepared to assign a large sum than Rupees 25,000, and desire that the gross charge for each year be restricted to that amount.

* Items 1, 2, and 3.

Remarks.

Item No.

(1) A round sum nearly equal to the average of last three years' rewards is proposed seeing that the payments of the first four months of the Current year amounted to Rs 13,171 and that the expenditure of the whole year is likely to exceed the sum of Rs 25,000 provided by Govt in their Provl Estimate for 1875-76.

(5) The large debit in 1874-75 includes Rs 32,796 on account of the Nellore floods for which a Grant of Rs 50,000 was recently made by the Govt of India.

(7) The sum paid for draining the Govt Arrack Distillery under S.O. 17th April 73. No. 498-20 swelled the charge under this head in 1873-74.

(12) Rs 4000 have been already paid in the Current year for the Lovedale Famine under S.R. 10th Novr 74, No. 378 Edl. Dept.

(14) Proposed for any charges that may be incurred in connection with the ancient remains of this Country or for the advancement of Scientific knowledge.

(15&19) The fixed subscriptions have been assumed to amount to the charge of last year in which Govt stopped certain papers, but the 7,900 Rs on account of special purchases have been entered to keep to the total of Rs 14,000 for the 4 Items to Settle, as provided by Govt in the Genl. Provl Estimate for 1875-76.

(19) Rs 5000, whereof are entered on account of the Chepauk grounds Rs 4000 on account of the Common Park under S.O. 5th Decr 74. No. 1504. R.D. & S.O. 6th August 75: No. 1611. R.D.

(27) The average given by actuals of last 3 years is Rs 1263, but only Rs 500 have been entered in accordance with the foot-note given in the Manuscript Estimate of Provl Services for 1875-76 received with S.O. 22nd February 75. No. 460. R.D.

No. 433

Fort Saint George,
Accountant General's Office,
19th October 1875.

From The ACCOUNTANT GENERAL
to the GOVERNMENT of MADRAS,

To The Chief Secretary to Government
Fort St George

Sir,

In their Proceedings No. 7250 dated 10th August 1875, Copy accompanying, the Board of Revenue called upon this Office to communicate to the Collector of Malabar the Budget Allotment for that District for 1875-76 on account of Miscellaneous Charges debitable to Provincial Services exclusive of the items noted on the margin. The Estimate for Provincial Services furnished to this Office by Government not exhibiting the amounts separately for each district I have caused a statement to be prepared shewing what the actuals of each District for the past three years were under the four minor Heads "Cost of Books and Publications", "Rewards for the destruction of wild animals" "Conservancy & Municipalities" and "Miscellaneous & Unforeseen Charges". I have now the honor to lay this statement before Government shewing how on the opinion of this Office the grants for the several districts might be allotted and in what instances the allotments of the current year are likely to be exceeded by the actuals

Native Chauttrees
Stamping Weights & Measures
Registration of Births and Deaths

actuals as far as they are known at present.

I beg to submit also, for the consideration of Government whether it would not be desirable that the annual Estimates for most of these Miscellaneous Charges which are incurred by Revenue Officers and the bills for which are countersigned by the Board of Revenue should, as is done in the case of Imperial Services, be prepared by the Collectors and revised by the Board of Revenue.

I have the honor to be,
Sir
Your Obedient Servant
