Local Funds—Establishment.

No. 102. Read the following Proceedings of the Board of Revenue, dated 29th January 1875, No. 722 (Miscellaneous):—

Read again letter from the President of the Local Fund Board, Nellore, dated 17th February 1874, No. 132, requesting sanction for the abolition of the grade of Local Fund Maistries and for the substitution in lieu of it of the grade of Second-class Overseers on a salary of Rupees 40.

Read also the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Nellore, 11th May 1874, No. 556.

Adverting to the Board's Official Memorandum of the 7th instant, No. 576, calling on me to ascertain and state if the District Engineer's proposal to give the new class of Local Fund Overseers Rupees 40 per month, is inclusive or exclusive of travelling batta, I have the honor to state that since the submission to the Board of Revenue of the proposals contained in my letter of the 17th February last, No. 132, which were based on the District Engineer's recommendation embodied in his letter, No. 58, of 28th January, a copy of which was submitted, Mr. R. Smith has very considerably modified his former proposals.

2. These fresh proposals, contained in his letter of the 28th March last, No. 81, (copy submitted) were laid before and sanctioned by the Local Fund Board at their last meeting—*vide* Resolution, No. 174, copy subjoined—when it was further resolved that the scheme then approved of be submitted to the Board of Revenue in *substitution* of the scheme already sanctioned by the Local Board in Resolution No. 127 of 1873-74.

3. From Mr. R. Smith's letter it will be observed that the new class of Sub-Overseers, as they are now termed, are to receive a travelling allowance of Rupees $7\frac{1}{2}$ per mensem.

With the first of the foregoing letters, the President submitted one from the District Engineer, proposing to reduce the number of Local Fund Maistries attached to the circle from eight to four, and to style them Second-class Overseers on a salary of Rupees 40 per month.

2. The Board desired the President to ascertain and report if the proposed rate of salary was inclusive or exclusive of the travelling batta.

3. The second letter recorded above is a reply to the Board's requisition. With this letter, the President submits another from the District Engineer suggesting a modification of the first proposal as hereunder particularized:—

	Rs.	A.	P.
3 Sub-Overseers, at Rupees 35 each per month	105	0	0
Travelling allowance for do. at $7\frac{1}{2}$ Rupees each	22	8	0
3 Writers, at 10 Rupees each	30	0	0
3 Lascars, at 6 do.	18	0	0
1 Maistry, at 20 Rupees	20	0	0
Travelling allowance for do. at Rupees 5	5	0	0
Total ...	200	8	0

4. According to G.O., Financial Department, dated 20th June 1874, No. 1038, there should be no grade of Maistries maintained, and therefore the proposed Maistry on Rupees 25 a-month (including travelling allowance) should be styled Sub-Overseer of the grade to which he may belong.

5. The proposal to entertain a Writer on Rupees 10 and a Lascar on Rupees 6 a-month to each of the proposed Sub-Overseers on Rupees 35 a-month is unprecedented.

6. From a recent G.O., Financial Department, dated 8th January 1875, No. 24, which will be separately communicated, it will be observed that Local Funds have been relieved of the cost of Petty Establishment, but by G.O., 21st January 1875, No. 98, the amalgamation of the two establishments is deferred. The present proposals which involve an increased charge of Rupees 6 per annum will be submitted for the orders of Government.
