Proceedings of the Madras Government, Revenue Department, 5th February 1875.

No. 81. Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 26th January 1875, No. 585:—

I HAVE the honor to observe that, although the income from Farm Receipts and Surplus Pound Fund may be the natural source from which the further expenditure on account of Government Farms, referred to in G. O., No. 964, dated 3rd August 1874, paragraph 6, Revenue Department, is to be met, yet, under the General Budget system, a distinct allotment from Provincial Services is necessary to admit of an appropriation audit; and to request that a grant may accordingly be obtained to prevent the charges from being recorded as unauthorised by estimate and in excess of sanction.

No. 82. ORDER THEREON, 5th February 1875, No. 193.

Miscellaneous.

UNDER the order* of the Government of India, sanctioning the transfer, from the beginning of 1875-76, of the receipts and charges of the Sydapet Farm "from Imperial to Provincial Services with a grant of Rs. 20,000," any distinct allotment from Provincial Services to be added to the grant from Imperial Funds, as suggested by the Accountant-General, is unnecessary.
