No. 31. Read the following Proceedings of the Board of Revenue, dated 17th December 1874, No. 3660 :—

Read the following letter from H. St. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vizianagram, 10th November 1874, No. 1705 :—

1 Abstract Estimate for road work.
1 Do. for masonry work.
1 Specification.
1 Appendix for masonry works
1 Grand Abstract of Estimates.
1 Survey Book.
1 Plan for masonry works.
1 Cross section.

1. Paragraph 8 of Collector's letter, recorded in G.O., Public Works Department, No. 3483, dated 7th November 1868.
2. Paragraph 13 of Collector's letter, recorded in G.O., Public Works Department, No. 3451, dated 27th October 1869.
3. Collector's letter, No. 423, dated 15th June 1869, recorded in Board's Proceedings, No. 8245, dated 8th November 1869.

I have the honor to submit, herewith, estimates, etc., as per margin, amounting to Rupees 37,730, for completing the road from Palcondah to Parvatipore.

2. This road was first sanctioned in G.O., dated 27th January 1854, along with six others at a collective cost of Rupees 82,025 as Famine Relief works. But it has never been in fair order, and has annually been the subject of complaint by the Revenue authorities (*vide* correspondence marginally noted). It is now proposed to put it in efficient order at a cost of Rupees 37,730. The estimate and plan have been passed by the Local Fund Board, as the road is of great importance, leading as it does to Parvatipore where the traffic from Jeypore and the Chatesgarh Division of the Central Provinces converges on its way to the coast. I have, therefore, the honor to request that the sanction of Government may be obtained for the work being executed whenever funds are available.

The estimate for completing the road from Palcondah to Parvatipore (27 miles, 210 yards) at a cost of Rupees 37,730 will be submitted for the orders of Government after reference to the Chief Engineer.

2. The work seems to be necessary.
