2. The original estimate of Rupees 4,800 was sanctioned in Board's Proceedings, Miscellaneous No. 6041, dated 16th September 1873.

3. As explained by the District Engineer (a copy of whose letter is enclosed), the excess is due to the low rates originally allowed for the masonry which is being executed in better style than was at first proposed, and for timber which has to be brought a distance of sixty miles, as the required sort cannot be had at the Forest Timber Depôt.
