No. 170. Read the following Proceedings of the Board of Revenue, dated 9th November 1874, No. 7803 (Miscellaneous):—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Board, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 22nd October 1874, No. 549.

In continuation of my letter, dated 17th ultimo, No. 490, submitting an estimate for Rupees 20,140 for constructing a bridge of five arches over the Chittoor river on the trunk road No. 2, I have the honor to state that the District Engineer informs me, in his letter, dated 11th September last, No. 1680, that out of Rupees 8,200 provided in the current year's Budget for this bridge, Rupees 3,000 only can be spent by the end of this official year, which has now only five months to run. I therefore request that, in anticipation of the sanction of Government, the Board will be pleased to authorise the commencement of the collection of the necessary materials for the work. The District Engineer informs me that, if this is permitted, he will be able to get matters so forward as to enable him to make good progress with the work next year.

Submitted for early orders of Government, with reference to Board's Proceedings, 12th October 1874, No. 2962.
