Municipal—Drainage.

No. 186. Read the following letter from W. CLARK, Esq., C.E., Drainage Engineer, Madras, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Madras, 6th February 1875:—

I have the honor to forward, herewith, a bill from Mr. H. G. E. vanDeerlin, a Leveller employed to take the levels of Madras. In my letter to your address of the 5th ultimo, I mentioned two Levellers* whom I engaged to pay at Rupees 4 per mile for accepted levels; two were so employed, but one early gave up the work.

* Mr. vanDeerlin and Mr. Campbell are the men alluded to; they are not lent by the Municipality.

2. The Municipality have also requested payment of the salaries of the two Overseers lent from the Municipal Establishment.

3. As, exclusive of these bills, the Establishment Bill for Draughtsmen, Kalassees, &c., for the month of January, amounting to Rupees 549-2-11, has already been drawn, I shall feel obliged by your authorizing the payment of these bills, *viz.*:—

4. I may mention that the slowness of the progress made with the taking of the levels out of doors, and the very considerable labor of reducing and plotting the same on plans copied from the Revenue Survey, has made it very obvious to me that I shall not complete the work I have in hand in the time specified.

5. Under these circumstances, I have felt it desirable to procure all the help I can to expedite my proceedings, and I shall feel obliged if you will sanction payment of the bills accompanying this letter.
