No. 190. Read the following letter from J. A. BOURDILLON, Esq., Officiating Under Secretary to the Government of India, Financial Department, to the Secretary to the Government of Bengal, Police Department, dated Fort William, 6th November 1874, No. 6451 :—

Leave and Allowances.

I am directed to acknowledge the receipt of your letter, No. 3301, dated 19th August 1874, submitting a question which has been raised with reference to the rule laid down in the Resolution of the Government of India, Financial Department, No. 2725, dated 29th April 1874, *viz.*, whether a single day's halt in a journey of several days' rapid travelling, twenty miles or more a day, would invalidate a Police Officer's claim to mileage for the whole trip. It is suggested by the Government of Bengal that the rule referred to may be modified by a proviso to the effect that travelling allowance may be drawn by distance, provided a Police Officer foregoes his claim to any allowance, whether by distance or by time, for the day or days on which he halts or travels less than twenty miles.

2. I am to state, in reply, that the rule of the 29th April does not require alteration. In the case put, the Police Officer would draw travelling allowance by time, and not by distance, for the whole time he was absent from his station. This was, I am to add, the intention of the rule.

Copy forwarded to the Home Department for information and for communication to the several local Governments.

Copy also forwarded to the Accountants-General and the Deputy Accountants-General in independent charge.

No. 191. ORDER THEREON, 15th February 1875, No. 332.

Copy furnished to the Inspector-General of Police.

2. The letter does not appear to have been communicated to this Government. This copy has been obtained from the Accountant-General.
