MY DEAR DR. BALFOUR,—At a meeting held yesterday our Local Fund Board decided in favor of a 1st-class Assistant Apothecary in preference to the more expensive and probably younger and less experienced doctor.

To

The Secretary to the
Board of Revenue
Madras

Sir,

With reference to the Proceedings of the Board of Revenue No. 7641 of the 3d Instant I have the honor by order to state that the sum proposed by the Local Fund Board Nellore (Rupees 150 per mensem) for Medical Charge of the Civil Dispensary at Ongole with the Government contribution of 25 per cent is insufficient to procure the services of a 1st Class Assistant Apothecary

Apothecary and the Surgeon-General will be prepared to appoint one of that grade towards the end of December, if your Board procure the sanction of Government for the increased charge.

2. I am also desired to state that for the sum named by the Board, supplemented by the Government contribution of 25 per cent it is possible to secure the services of a Licentiate of the Royal College of Physicians and Surgeons of Edinburgh to take medical charge of the Ongole Dispensary and Police Hospital, and if the Nellore Board consider this a preferable arrangement, the Surgeon General will put himself in communication with the

the above gentleman, and acquaint you with the result.

The negotiation is more likely to be successful if the Surgeon General be empowered to offer travelling expenses from Madras to Nellore, to the medical gentleman and his family.

Office of Surgeon General S.M.D. Fort Saint George 6th November 1874

Sd/ Arnold Smith Surgeon-Major
Ag Secretary Surgeon-General S.M.D.

Communicated to the President of the Nellore Local Fund Board.

The pay and allowances of a First Class Assistant Apothecary amount to Rs. 170 a month. The salary of the gentleman alluded to in para 2 would apparently be Rupees 200 a month.

The President should state which of the two the Local Fund Board would prefer.

No 1250

From G. Vans Agnew Esquire
President of the
Local Fund Board

To J. Grant Esquire
Secretary to the
Board of Revenue
Sir

I have the honor to enclose
copy of a Resolution passed
at the last meeting of the
Local Fund Board from
which it will be observed
that the Local Fund Board
have determined to dispense
with Mr Sipp's services from
the end of December next
by which time it is expected
that

that the Dispensary build-
-ings at Ongole will be
ready for the reception
of in-patients.
2. In the Budget for next
year, the Local Fund Board
have made provision for
paying Rs 150 per mensem
for the charge of the Dis-
-pensary and as the Officer
would have charge of the
Police he would be en-
-titled to an allowance
from Government. I
beg that the sanction
of Government may be
obtained, and that the
Surgeon-General be
requested to submit his
nomination for the ap-
-pointment for the ap-
-proval of the Local Fund
Board before the appointment
is

is actually made.
3. In making the selection
it should be borne in
mind that Ongole is a
very dull place and the
Dispensary Officer is left
very much to his own
devices. There has been
no inspection by any
Medical authority for
nearly three years. A very
young man should not
therefore be selected.
4. As it has been notified
to Mr Nipps that he will
not be required after
the 31st December, the
appointment should be
made in time for the
person appointed to reach
Ongole by that date.
5. The difference between
Mr

per cent to be appointed can be met for the last three months of the current year from the balance under General Funds.

Nellore Local Fund Board's office 16 October 1874

Signed by Chas. Vans Agnew President

The Surgeon General will be requested to inform the Board whether he will communicate to the Nellore Local Fund Board the name of a Medical Officer whom he considers qualified to be in Charge of the Dispensary at Ongole, and whether he thinks that part of the Salary (one-fourth is the Board believe the usual proportion) should be paid by Government.
