Municipal—Budget.

No. 248. Read the following letter from J. H. MASTER, Esq., Collector and President of the Municipal Commissions, Bellary, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Moostoor, 1st February 1875, No. 13 :—

I have the honor to submit a Supplemental Budget for 1874-75 for the Municipality of Adoni, together with the Vice-President's covering letter.

2. As it did not appear from this letter how the savings had been effected, I applied for further information. It now appears that the sum of Rupees 3,000 is the amount of last year's balance.

3. The Commissioners propose to spend Rupees 1,500 in the repair of four large latrines which were seriously damaged by the unusually heavy rains of 1874, and Rupees 1,500 in repairing certain roads and in building two masonry tunnels.

4. The Commissioners have, in anticipation of sanction, put these works in hand, and I trust that, in consideration of the short time left (two months), this course may be approved of.

From C. RAGHAVA ROW, Vice-President of the Municipal Commission, Adoni, to J. H. MASTER, Esq., President of the Municipal Commission, Adoni, dated Adoni, 16th January 1875, No. 140.

I have the honor to forward, herewith, a Supplemental Budget* for Rupees 3,000 remaining unexpended up to 31st December 1874, and to inform you that the Commissioners have resolved upon expending Rupees 1,500 in the restoration of four large latrines which were seriously damaged during the late heavy rains, and the remaining Rupees 1,500 for the repair of certain principal street roads and for constructing two masonry tunnels in the public bazaar road, which are absolutely necessary.

* For 1874-75.

2. The cost of establishment and other expenses from January to 31st March next will be defrayed from the amount yet to be collected within those months, *viz.*, Rupees 2,000.

3. To avoid delay, the Commissioners have, in anticipation of the Government sanction, resolved upon commencing the works at once, more particularly as there might be no time to spend the amount on the said works within the official year, which is drawing to a close, if they had to wait for the receipt of the sanction.

From C. RAGHAVA ROW, Vice-President of the Municipal Commission, Adoni, to J. H. MASTER, Esq., President of the Municipal Commission, Adoni, dated Adoni, 27th January 1875, No. 145.

In reply to your docket, No. 9, of the 20th instant, I have the honor to inform you that the amount of Rupees 3,000, therein alluded to, is the last year's balance, as shown† in the abstract of receipts and charges annexed to the G.O., No. 2042, of 5th December 1874.

	Rs.
† Actual receipts	23,513
Do. charges	20,383
Balance ...	3,130

2. This balance was kept in reserve by the Commissioners with a view of expending it on emergent and important works and upon unforeseen demands, and, as most part of their roads and latrines were seriously damaged by the late heavy rains, and as it is necessary that they should be at once repaired, they have resolved to expend the reserve on the works detailed in the Supplemental Budget submitted to you for sanction.
