Local Funds—Works.

No. 252. Read the following letter from Colonel C. H. DICKENS, C.S.I., R.A., Secretary to the Government of India, Public Works Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Fort William, 27th January 1875, No. 73—A-G :—

Account—General.

The Accountant-General, Public Works Department, has laid before the Government of India the statement of objectionable items, Madras Local Funds, for August 1874, from which it would appear that an expenditure amounting to Rupees 6,761 has been incurred on fourteen works in progress for which there are no appropriations of funds.

2. As it is desirable that appropriations should be made for Local Fund works before the expenditure on them is incurred, in order to avoid the chance of no local funds being available to provide for the charges, I am directed to request that the Government of Madras may be moved to cause the necessary funds to be provided to cover the outlay in question.

No. 40.

Transferred to the Financial Department in continuation of statement transferred on the 15th December 1874.
