Proceedings of the Madras Government, Financial Department,
22nd February 1875.

Local Funds—Medical.

No. 286. Read the following Proceedings of the Board of Revenue, dated 11th February 1875, No. 1006 (Miscellaneous) :—

Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 22nd January 1875, No. 653 :—

I have the honor to acknowledge receipt of the Board's Proceedings, No. 3714, of 24th December 1874, and to mention, with reference to the suggestion alluded to in paragraph 26, that the Vice-President's suggestion is one of great value, and I recommend action on it. I have suggested to Government that medical men should traverse the country for a somewhat different object, but the Vice-President's suggestion and mine could be worked together with benefit. I subjoin the paragraph of my letter on this subject, and the Board will see that the person who is to undertake that duty must be carefully selected. The bare military pay for a 2nd Class Hospital Assistant is Rupees 40 per mensem—Rupees 480 per annum—and, as Rupees 1,000 only are to be allotted, as it is very advisable that a liberal marching allowance should be granted as, if a married man, that he should take his family with him, and as a careful selection should be made, I would advise that a 3rd Class Hospital Assistant be nominated, and his pay of Rupees 25 per mensem at least doubled. This will take up at least Rupees 600 of the 1,000 Rupees, and Rupees 400 for medical stores.

Submitted to Government in continuation of Board's Proceedings, 24th December 1874, No. 3714, reviewing the Budget of the Ellore Circle for 1875-76.
