Proceedings of the Madras Government, Financial Department,
22nd February 1875.

Local Funds—Vaccination.

No. 288. Read the following Proceedings of the Board of Revenue, dated 13th February 1875, No. 333:—

Read the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 16th January 1875, No. 5:—

THE Government, in G. O., dated 29th April 1874, No. 738, sanctioned the trial of the payment-for-results' principle in vaccination in the Cuddalore Circle, subject to report at the end of six months; and, in reply to the Board's Official Memorandum of the 15th December last, No. 2,072, calling for the said report, I have the honor to state that the Budget Committee of the Local Fund Board considered the scheme submitted to them by me, which it was impossible to adopt during the current year, owing to its expense and the want of any budget allotment to meet it, and provision was accordingly made in the budget for 1875-76 for its experimental introduction from the 1st April next. The scheme was explained in the report accompanying the budget.

2. The Cuddalore Municipality has recently adopted the same scheme in order to prevent competition between the Local Fund and Municipal Vaccinators.

SUBMITTED for the information of Government with reference to the Government Order quoted.

2. In their review of the Budget of the Cuddalore Circle, the Board, while retaining the allotment proposed, Rupees 4,930, expressed their opinion that the scheme was too costly, and the allotment has been reduced by Government to Rupees 3,040 to provide for a scheme on the Trichinopoly model. Arrangements should be matured before the beginning of the official year for utilizing this reduced allotment.
