Proceedings of the Madras Government, Financial Department,
23rd February 1875.

Local Funds—Roads.

No. 302. Read the following Proceedings of the Board of Revenue, dated 15th February 1875, No. 355 :—

Read the following letter from G. D. LEMAN, Esq., President of the Local Fund Boards, Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 12th December 1874, No. 256 :—

I HAVE the honor to submit, for sanction, an estimate (Rupees 9,080) for constructing certain portions of the road from Chinnapalakalur to Narsarowpetta, which were originally not taken into account in the sanctioned estimate.

2. The road appears as item No. 2 in the budget of the Guntur Circle for 1873-74, and has been nearly completed.

3. As explained in the specification report, the portions now estimated for are village sites, etc., and being, at the time of drawing up of the original estimate, in a good condition, were not provided for in it.

4. The Rupees 9,080 now required are entered in the second list attached to my letter, No. 227, dated 25th November 1874—see item No. 2.

5. The resolution of the Local Fund Board passing the estimate is enclosed.

THE estimate, amounting to Rupees 9,080, for completing the road from Chinnapalakalur to Narsarowpetta in the Guntur Circle will be submitted for the orders of Government. It provides for the construction of portions of the road which, being through village site and in good condition, were omitted when the original estimate for Rupees 50,000 was framed in 1869. The original estimate will be worked out on the expenditure of the allotment made in the list of incomplete works of 1873-74. The present estimate is composed as follows :—

	Rs.
Earthwork	1,560
Metalling	4,362
Gravelling	2,726
Sundries...	432
Total ...	9,080

2. The work is one of those referred to in paragraph 4 of Board's Proceedings, dated 15th January 1875, No. 80, which is now before Government.
