Audit Department.

With reference to G.O., No. 1213, dated 27th August 1873, Financial Department, I have the honor to inquire whether by Medical Staff this office is to understand the entire establishment including midwife, writers, peons, &c., or whether the one-fourth contribution is to be restricted to pay of members of the subordinate medical grade. One-fourth of the entire Hospital Staff is now being charged to Government, but I am not perfectly sure whether this is intended.

No. 313. ORDER THEREON, 23rd February 1875, No. 417.

The words "Medical Staff" in the Order in question were used with reference to members of the Subordinate Medical Department only.

2. Refunds will not be insisted on as regards payments already made under the misapprehension reported by the Accountant-General.
