Adverting to paragraph 3 of the Board's Proceedings, No. 2446, of the 31st August last, I have the honor to state that no provision was made in the Budget as Mr. Wybrow, who was then in charge of the District Engineer's office, proposed no works, although I requested him to forward to me proposals for utilizing the available assets under Nanul Grass Funds.

I have now, in consultation with Major Law, the present District Engineer, arranged to expend Rupees 8,000 in planting the banks of rivers, channels, and tanks, &c., as stated in my letter, No. 280, of the 18th instant, and I shall submit the estimates in detail as soon as I receive the requisite information from that officer.

3. I request that, in the meanwhile, the Board will be good enough to place the above sum at the disposal of the Department Public Works.
