Dead-Houses.

No. 365. Read the following letter from C. T. LONGLEY, Esq., President of the Municipal Commission, Salem, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Salem, 18th February 1875, No. 191:—

In reply to G.O., No. 1859, of the 2nd November last, I have the honor to forward copy of a Resolution passed at a meeting of the Municipal Commissioners held on the 15th December last. The Commissioners are still of opinion that they should not be made to bear any portion of the expenditure incurred in the construction of a dead-house for the reception of Police cases, but that, considering the view Government have taken in the matter, they propose to bear one-fourth of the cost of a new dead-house. They observe, also, that there is no ground available for the purpose within the dispensary compound, but ground is available a short distance outside.

Extract from the Proceedings of a Special Meeting of the Municipal Commissioners held on the 15th December 1874.

9. Read G.O., No. 1859, dated 2nd November 1874.

Resolved that, while adhering to the original view, that they ought not to be subjected to pay any portion of the cost of a dead-house for Police cases, they see no alternative but to acquiesce in the view taken by Government, and propose to bear one-fourth of the cost of the building. The Commissioners observe that there is no ground available for building a new dead-house within the hospital compound.
