No. 38. Read the following Proceedings of the Board of Revenue, dated 23rd February 1875, No. 434 :—

Read the following letter from H. ST. A. GOODRICH, Esq., Acting President of the Local Fund Boards, Vizagapatam District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 26th January 1875, No. 127.

I HAVE the honor to submit herewith estimates, etc., as per margin, amounting to Rupees 10,900, for improvements to the road from Ramabhadrapuram to Salur, Item No. 3 to Appendix to Part II. of the budget of the Vizagapatam Circle for 1874-75.

One Plan.
,, Estimate.
,, Specification.

2. Some exception was first taken to the rates for metalling and gravelling ; but the District Engineer, to whom the question was referred, explains that—"The metal has to be quarried and broken at a hill, distant more than three miles from the road where the metal is to be placed, and that as the track to the hill is circuitous and through paddy fields, the bandies cannot possibly make as many number of trips as they could if the road is a good one."

3. I have, therefore, the honor to request the sanction of Government for the execution of the work whenever the funds may be available.
