No. 48. Read the following Proceedings of the Board of Revenue, dated 23rd February 1875, No. 1467 (Miscellaneous):—

Read the following letter from H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vallam, 16th January 1875, No. 31 :—

In forwarding the accompanying copy of a resolution of the Local Fund Board of the Negapatam Circle, I have the honor to request that the Board of Revenue will be pleased to sanction an allotment of Rupees 480 out of the Road Fund Reserve of the Circle for the entertainment of a temporary Survey Establishment for four months in connection with the preparation of estimates for the formation of certain roads in Public Works Range No. 4, in the Negapatam Circle.

2. I enclose a list showing the names of the roads and the Survey Establishment that is required.

3. The estimates for these roads were called for in July last by the Local Fund Board, but the District Engineer states that these requisitions comprise the designing and estimating for numerous masonry works, and the taking of levels and sections on these lines, and that it would be impossible to get all this work performed within a reasonable time by the regular Range Establishment. Hence the necessity for the entertainment of the temporary establishment.

Submitted for the orders of Government.

2. The Board think the amount should be paid out of the twenty-five per cent. on expenditure contributed towards the cost of the Public Works Department by the Local Fund Board.
