BUDGET ESTIMATES.

No. 91. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 6th January 1875, No. 527 :—

Book Department.

With reference to G.O., Financial Department, No. 2171, dated 29th December 1874, I have the honor to report, as regards paragraph 3, that the sum of Rupees 18,756 being fees from Government Schools, viz., Presidency College, Madras a-i-Azam and Madras Normal School, has not been taken into calculation by Government, while the Director of Public Instruction entered in his Budget Rupees 10,440 on account of the Presidency College, and omitted the fees of the other schools, all of which were, prior to 1870-71, credited as Imperial receipts, and subsequently as Provincial receipts.

2. As regards the difference of Rupees 13,939 noticed in paragraph 5 between the expenditure on account of the University as per final abstract for March 1874, and the figures given by the Director of Public Instruction, I beg to state that it is due mainly to the sum of Rupees 15,560 on account of fees to Examiners being treated by that Officer as a charge of the year 1873-74, whereas it was sanctioned only on 20th April 1874 and paid subsequently, while Rupees 2,486 on account of Printing charges are shown by him in his Budget separately under the old heading 23, "Stationery and Printing."

No. 92. ORDER THEREON, 13th January 1875, No. 56.

Communicated to the Director of Public Instruction, who will in future refrain from including under "actuals" charges which have not been actually disbursed during the year.
