SIR,

In forwarding an extract from the Proceedings of the Local Fund Board of the Salem Circle under date the 23rd September last I have the honor to request that the Board of Revenue will be pleased to sanction the payment of a contribution to the Municipality of Salem equal to one third of the annual expenditure incurred on account of the Poor House established in the Town.

in 1872 and has been hitherto kept up solely from Municipal Funds. As a large number of the destitute poor supported, belong to the District, the Local Board have, at the request of the Municipal Commissioners, agreed to bear a third of the annual charges, the number of people coming from the District being about 35 per cent of the number accomodated in the institution.

3. The annual expenditure has been estimated at Rupees 600, and the grant from Local Funds will therefore be Rupees 200 per annum.

From The ACCOUNTANT GENERAL

To The Acting Chief Secretary to Government

Sir,

With reference to G.O. Financial Department No. 2171 dated 29 December 1874. I have the honor to report as regards para 3, that the sum of Rs. 1876 being fees paid Government Schools &c, Presidency College, Madrasa-e-Azam and Madras Normal School, has not been taken into calculation by Government, while the Director of Public Instruction entered in his Budget Rs. 13940 on account of the Presidency College, and omitted the fees of the other Schools, all of which were, prior to 1870-71, credited as Imperial Receipts, and subsequently as Provincial Receipts.

2 As regards the difference of Rs. 13939 noticed in para 5 between the expenditure on account of the University as per Annual Abstract for March 1874, and the figures given by the Director of Public Instruction, I beg to state that it is due mainly to the sum of Rs. 15560 on account of fees to Examiners being treated by that officer as a charge of the year 1873-74, whereas it was sanctioned only on 20th April 1874 and paid subsequently, while Rs. 2486 on account of Printing charges are shewn by him in his Budget separately under the old heading 23 "Stationery and Printing".
