LOCAL FUNDS—EDUCATION.

No. 97. Read the following Proceedings of the Board of Revenue, dated 17th December 1874, No. 3655 :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 24th November 1874, No. 117 :—

I have the honor to bring to the notice of the Board of Revenue that the Local Fund Board of the Cocanada Circle have passed at their meeting held on the 13th instant a resolution that a Local Fund School should be established at Mágám, a village in the Amalapur Taluq, by transferring the Assistant Master at Dulla, in the Rajahmundry Taluq, to Mágám.

2. The Deputy Inspector of Schools, Cocanada Circle, says that he proposed this arrangement because there are only twenty boys at the Dulla School, so that there is not any necessity for a second master.

3. Mágám appears to be in the centre of about eight villages, all within 1½ miles distance, and, if one is established here, it would serve to meet the requirements of all those villages. Moreover, the present arrangement does not entail any additional expenditure on the Local Funds.

4. Under these circumstances, I request that the Board of Revenue will sanction the above change of masters at an early date.

The application for permission to establish a Local Fund School at Mágám will be submitted for the favorable consideration of Government.

2. This letter should have been submitted through the Director of Public Instruction in accordance with G.O., Financial Department, dated 23rd July 1874, No. 1217.
