No. 189. Read the following Proceedings of the Board of Revenue, dated 18th February 1875, No. 391 :—

Read the following letters :—

From W. McQUHAE, Esq., President of the Local Fund Boards, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 26th January 1875, No. 21.

I HAVE the honor to submit copy of Resolution, No. 203 of 1874, in which the Local Fund Board of the Dindigul Circle object to the Accountant-General's decision that they must pay the absentee allowance of Hospital Assistants in charge of their dispensaries during absence on sick leave, as well as the full pay of the man appointed to act. The question should be settled by authority to prevent future disputes.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

From the same Officer, dated Madura, 30th January 1875, No. 23.

I HAVE the honor to submit the following case for orders.

2. Parthasaradi Naick, Hospital Assistant in charge of a Local Fund Dispensary, was granted three months' privilege leave from 24th March 1874, the Deputy Surgeon-General approving and undertaking to provide a substitute. The substitute drew Rupees 75-9-11 for the three months, and the Accountant-General has ordered this amount to be recovered from Parthasaradi Naick under Section 12, Rule 3, Supplement F. of the Civil Leave Code. The Vice-President of the Circle considers the case a very hard one, and contends that no extra expense was caused by the grant of the leave, as the Deputy Surgeon-General was able to spare a substitute.

3. Parthasaradi Naick obtained his leave on the understanding that he was to receive full pay, and I think Local Funds should be allowed to pay it as a special case. I also beg to bring to notice that the rule, if strictly enforced, will make it impossible to grant any privilege leave to Hospital Assistants in charge of Local Fund Dispensaries.

SUBMITTED for the orders of Government through the Accountant-General.

2. A Hospital Assistant having been granted privilege leave, and the Accountant-General having ordered that the amount of additional expense caused by a substitute having been provided should be recovered from him, the President and Vice-President, Dindigul Local Fund Board, wish that the amount, Rupees 75-9-11, may be paid from the Local Fund. The Board think this may be allowed in the present case, though the rule is a good one and ought to be enforced. The sanction should be made contingent on the approval of the Local Board, which does not appear to have been yet consulted.

Civil Leave Code, Section 12, Rule 3, Supplement F.

3. The same Local Fund Board object to being charged with the allowances of another Hospital Assistant on sick leave (for how long granted does not appear), in addition to full pay and allowances to his substitute. The Board think that this objection is well founded, if, as they suppose, these Hospital Assistants draw three-fourths of their salaries while on sick leave (Medical Code, Section VII. paragraph 51); and a rule should be laid down that when Hospital Assistants in the employment of Local Boards or Municipalities obtain sick leave or leave other than privilege leave, for more than a month, their engagement with the local body should be held to have terminated, and their services should be replaced at the disposal of the Surgeon-General.
