LOCAL FUNDS—VACCINATION.

No. 105. Read the following Proceedings of the Board of Revenue, dated 19th December 1874, No. 3690:—

Read the following letter from H. S. THOMAS, Esq., Acting President of the Local Fund Boards, Tanjore District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Negapatam, 18th November 1874, No. 355:—

I have the honor to report that the Local Fund Board of the Tanjore Circle are of opinion that the Superintendent of Vaccination is fairly entitled to some allowance to cover his travelling expenses, and propose paying him batta at the rate of one rupee per diem for the days he *actually* spends in travelling, but not for halting days, and the Superintendent-General of Vaccination, who was consulted on the subject, supports the proposal.

2. The Superintendent of Vaccination draws a salary of Rupees 70 per mensem, and, under the rules in force in the Revenue Department, would be entitled to travelling allowance at the rate of 12 Annas per diem only; but as the Local Fund Board are of opinion that he should not get batta for the halting days, the higher rate fixed by them does not seem to be unreasonably high.

3. It becomes my duty, therefore, to request the sanction of the Board and Government to the Local Fund Board's proposal. In the event of the proposal being sanctioned, the amount that is likely to be expended on this account during the remainder of the current year will be Rupees 150, and this amount will have to be allotted from the unappropriated balance of the General Fund. The cost for the whole year will be about Rupees 300.

4. I beg to enclose copy a resolution of the Local Fund Board on this subject.

5. My own opinion is that so high a salary as Rupees 70 for a mere superintendence of Vaccinators was fixed, like Tahsildars' salaries, with a view to cover travelling expenses, and that, if the consolidated allowance had been fixed at Rupees 700 instead of Rupees 70, there would still be the same hankering after batta. It is a general question. I do not know how it has been dealt with in other districts.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

SUBMITTED for the orders of Government.

2. No travelling allowance is granted to Superintendents of Vaccination in any other Circle, and the Board cannot support the Local Fund Board's application.
