Local Funds—Schools.

No. 217. Read the following Proceedings of the Board of Revenue, dated 8th March 1875, No. 556 :—

Read the following letter from E. B. POWELL, Esq., Director of Public Instruction, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 9th February 1875, No. 294.

I HAVE the honor to forward for submission to Government a letter, with enclosure, from the President, Local Fund Boards, Salem District, No. 143, of the 3rd instant.

2. So far as I am able to form an opinion, the step proposed to be taken by the Oossoor Local Fund Board is an appropriate one.

3. I think Local Fund Boards should be requested to exercise great care in the selection of places for the establishment of schools. Considering that generally the fees levied in a Local Fund School are little more than nominal, the rejection of such a school by the inhabitants of a locality wears a very unpleasant aspect.

ENCLOSURE No. 1.

From F. WILKINSON, Esq., Acting Vice-President of the Local Fund Board, Oossoor Circle, to C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, dated 18th January 1875, No. 347.

I HAVE the honor to forward, herewith, a Resolution of this Circle Board, dated 15th instant, and to request you will be good enough, under the circumstances stated therein, to obtain the sanction of Government for the transfer of the school at Manavaranapalli to Bagalur from the beginning of the next official year. The people of Manavaranapalli aided by the Kareden have persistently opposed the continuance of the Local Fund School at their village, preferring the education given by a pial schoolmaster.

2. The number of pupils who attended the school was fifteen in August and September, five in October and November, and none in December.

3. Bagalur is a large town on the road from Oossoor to Maloor, the residence of a Poligar, and the people are reported to be anxious for the establishment of a school there.

Local Fund School—at Manavaranapalli in Oossoor Circle, Salem District.—Letter from Director of Public Instruction, supporting, with remarks, Circle Board's proposal to transfer—to Bagalur, submitted for sanction of Government with certain observations.

With order

Read Minute of Hon'ble Mr. Grant dated 11th inst. recommending the proposal

23rd March/75. No 641

The proposed transfer is sanctioned.

The remarks made in para 2 in the proceedings of the Bd of Revenue have the general approval of Government. The advisability of utilizing existing Educational agencies and resources was strongly dwelt on in G.O. dated 28th April 1873 No 563, but it may eventually become an economical step to place on a permanent footing with fixed charges a school which has first been aided and improved by means of Results grants.
