Municipal—Budget.

No. 223. Read the following letter from C. VENKAKISTNA MUDELLYAR, Vice-President of the Municipal Commission, Wallajapet, to W. S. WHITESIDE, Esq., President of the Municipal Commissions, North Arcot, dated Wallajapet, 1st March 1875, No. 61:—

I have the honor to forward, herewith, for the sanction of Government, a Supplemental Budget for unforeseen expenditure, which it has been found necessary to incur during the year 1874-75, for the purposes hereunder set forth:—

GRANT I., PUBLIC WORKS—*Slaughter-house.*—An outlay of Rupees 64 is necessary under this head for reasons stated in paragraph 13 of the annual report for last year.

GRANT II., EDUCATIONAL—*Girls' School.*—Under this head an expenditure of Rupees 15 was incurred in April to meet the salary of establishment for March last, which was inadvertently left out while submitting the Budget.

GRANT III., SANITATION AND MEDICAL SERVICES—*Conservancy.*—The outlay of Rupees 81 under this head is proposed to be incurred in payment of the hire for cleaning the town during March last, which was withheld for reasons stated in paragraph 25 of the annual report for 1873-74.

Removing Prickly-pear.—Under this head a sum of Rupees 80 was incurred in removing prickly-pear from the source of the feeder to Vinayaga Chetty's drinking-water pond, which was brought under municipal control during the year by the extension of municipal limits, sanctioned in G.O., dated 26th May 1874, No. 893. This work was undertaken at your suggestion, in anticipation of the sanction of Government, on the score of economy, in order to prevent contamination of water-supply during the past monsoon, more especially as about the beginning of the year the ground was wet and favorable to the operation.

GRANT IV., MISCELLANEOUS MUNICIPAL PURPOSES—*Law Charges.*—A sum of Rupees 150 had to be spent for Court costs and other expenses incidental to the lodging of suits in the Vellore and Madras Court of Small Causes against one Aziz Daula Bahadur, the defaulting ratepayer, whose case was stated at length in paragraph 34 of the annual report for 1873-74, and in the former Court against one Venketputty and Venketroya Putters for the recovery of money spent for removing prickly-pear from a garden, known as "Yerra Buttan's Dharma Tope."

GRANT V., SUPERVISION AND MANAGEMENT—*Printing Charges.*—The stock of forms in the office having run out, and certain new forms having to be printed, the Commissioners anticipate an increase of expenditure under this head of Rupees 70.

2. These expenditures the Commissioners propose meeting from the following receipt—Trade-tax arrears—which was omitted to be provided for in the Budget for the current year under the impression that it would be collected before the close of 1873-74, but which has since been brought to account, Rupees 460.

The supplemental estimate is submitted for the sanction of Government.
