Local Funds—Budget.

No. 227. Read the following Proceedings of the Board of Revenue, dated 9th March 1875, No. 562:—

Read the following papers:—

Proceedings of the Madras Government, dated 12th January 1875, No. 48, Financial Department.

ABSTRACT.—*Trichinopoly Circle.*—The Budget Estimate of this Circle for 1875-76 reviewed.

From E. L. PEARSE, Esq., Vice-President, for President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 30th November 1874, No. 61.

I HAVE the honor to submit a revised skeleton road-map of the Trichinopoly Circle. The numbers of the roads have been altered, in consultation with the District Engineer, so as to simplify their progress reports. If the Board approve of this scheme, the map will be revised and some further information entered before printing.

2. I enclose also revised Parts I. and II. of the Road Fund Budget, prepared in accordance with the new scheme, so as to show as briefly and exactly as possible how each road is to be substituted for the one already submitted with the Budget for 1875-76 (*vide* my letter, No. 55, dated 17th October 1874).

ORDERED that the Local Fund Budget of the Trichinopoly Circle for 1875-76 be printed and circulated to all officers concerned.

2. Under the recent order of Government, dated 21st January 1875, No. 98, the allotment of Rupees 5,860 for Local Fund Petty Establishment is retained, but the amount is deducted from the provision for the share of the cost of Public Works Department supervision chargeable to the Road Fund. The amount thus set free having rendered unnecessary the proposed appropriation of Rupees 6,000 from the General Fund to the Road Fund, the following alterations will be made in the budget:—

	From RS.	To RS.
Share of cost of general management chargeable to Road Fund	1,550	1,500
Road Fund Reserve	17,760	17,160
Do. closing balance	3,720	4,230

3. With his letter recorded above, the President furnishes revised Parts I. and II. of the budget in lieu of those submitted with the original budget. The revision has been rendered necessary as the numbers and designations of roads have been altered in accordance with a new scheme of roads framed in consultation with the District Engineer. All the works appearing in the original Part I. are repeated with the same allotments as therein provided. The total provision in Part II. is the same as that in the original budget, though the allotments in most

cases have been altered. The Board see no objection to the alterations suggested, and have accordingly adopted the revised lists, subject to the approval of Government.

4. The attention of the President is drawn to the remarks contained in paragraph 4 of the Government Order regarding the selection of localities for the establishment of elementary schools, and he is requested to submit, at once, proposals for the full utilization of the allotment of Rupees 15,000 in the budget for schools. It is observed that a scheme for the establishment of fifty-five schools on the combined system has been drawn up, and has been laid before Government in separate Proceedings.

5. The total allotment for Public Works and Tools and Plant is Rupees 1,22,790, as hereunder particularized; and the Accountant-General is requested to place the amount at the disposal of the Public Works Department after the 1st April next.
