Proceedings of the Madras Government, Public Works Department,
1st March 1875.

Read the following Proceedings of the Madras Government in the Financial Department, dated 12th February 1875, No. 308 :—

ABSTRACT.—*Special Local Funds.*—Orders passed on the Abstract Budget Estimate submitted by the Board of Revenue of Receipts and Charges of these funds during 1875-76.

ORDER THEREON, 1st March 1875, No. 10.

THERE is no precedent for varying the percentage of Establishments chargeable to works according to their relative importance or difficulty. Petty works of this nature, being scattered, often give proportionally more trouble, in planning supervising, and furnishing certificates, than larger works. As a rule the actual cost of supervising large works, concentrated adjacent to one another, is much less than that of small works in out-of-the-way places.
