Local Funds—Roads.

No. 11. Read the following Proceedings of the Board of Revenue, dated 25th March 1875, No. 745 :—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Nellore, 12th March 1875, No. 306 :—

ADVERTING to my letter of the 17th ultimo, No. 229, I have the honor to forward copies of Resolutions, Nos. 36 and 37,* passed at the last meeting of the Local Fund Board held on the 5th instant, and to submit, for the early sanction of the Government, two emergent estimates, amounting respectively to Rupees 13,500 and 5,962, for the repair of the Great Northern and Cuddapah Roads damaged by the floods of October last.

* Will be sent when printed.

2. Of the sum of Rupees 13,500, the amount of the first estimate, it will be observed, as stated in the Resolution, that Rupees 7,880 have already been applied for, and as Collector I have authorized the payment of Rupees 3,489-15-7 for that portion of the earthwork which may fairly be charged to the relief grant, for in the distressed condition of the people soon after the floods it was necessary to give employment to men, women, and children—a course certainly more expensive than the usual one of getting works executed on contract. The sum I have thus disbursed out of the relief funds represents the additional cost thus incurred in the execution of the work for the relief of the sufferers.

3. After allowing for the sums above mentioned, the balance of the estimate still to be provided is Rupees 2,130-15-6. Of this sum, I request that Rupees 156-15-6 may be placed at the disposal of the Department of Public Works for the current year from the amount saved in the allotments for the emergent repair of the Cuddapah Road as shown below, and that the remainder, Rs. 1,974, may be allotted from the Road Fund Reserve and Balance for 1875-76. I expect the actual balance on the 1st April will be larger than that at which it was estimated.

4. The revised estimate now submitted for the Cuddapah Road amounts to Rupees 5,962, but funds, as specified below, have already been provided :—

	Rs.
Sanctioned in Government Order of 19th ultimo, No. 375	3,000
Applied for in my letter, No. 229, of 17th idem	4,055
Total ...	7,055

The total sum is Rupees 7,055, which, according to the revised estimate now submitted, is Rupees 1,363 in excess of what is actually required. This sum, which is not required for the current year, is therefore now surrendered.

ENCLOSURES Nos. 1 and 2.—Estimates.

	Rs.
Emergent repairs—	
Great Northern Road	13,500
Dorenal Road	5,962

THE estimates noted in the margin will be submitted for the sanction of Government in continuation of Board's Proceedings, 13th March 1875, No. 616.

	12,541	0	5
* Deduct	1,093	0	0
	11,448	0	5
Difference	936	15	7

* Not Rs. 1,363 as stated by the President.

2. The charge against Local Funds on the first estimate is Rupees 10,010-0-5, of which Rupees 1,974 will not be required till 1875-76. The total required is now found to be Rupees 11,448; so that the proposed appropriation from the General Fund may be reduced to Rupees 3,474.

3. But inasmuch as the whole, or nearly the whole of the amount of the estimates has already been spent, and nevertheless a balance in the Road Fund seems to be anticipated, the Board recommend that the question of a transfer from the General Fund be deferred until it be seen whether the Road Fund closes with a deficit balance. As soon as the progress reports for March are received, the President should report on the point.

4. The Board sanction an allotment of Rupees 1,974 from the Road Fund Reserve of 1875-76, and request the Accountant-General to place it at the disposal of the Public Works Department after 1st April next.
