Proceedings of the Madras Government, Financial Department,
6th April 1875.

Municipal—Budget.

No. 60. Read the following letter from J. H. MASTER, Esq., President of the Municipal Commissions, Bellary, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bellary, 1st April 1875, No. 28 :—

I have the honor to report on the points mooted in G.O., No. 306, dated 12th ultimo, reviewing the Budget for 1875-76 of the Anantapur Municipality.

2. With reference to the reduction of the fee for the registration of carts from 1 Rupee to 12 Annas, the Commissioners observe that the reduction was proposed in the Budget on the ground that many of the owners of bandies are agriculturists who are already taxpayers to some extent, and that the rate is not so high in some other Municipalities. Under these circumstances, the Commissioners proposed the reduction as a relief to this class of the community, and again request that their recommendation may be sanctioned. It is a fact that agriculturists are quitting the limits of some of the Municipailties on account of this taxation.

3. In regard to paragraph 8 the Commissioners are averse to borrowing, as they say they will not have the means of repaying the loan. In this I quite agree with them. They propose, therefore, to try and save the sum required for the erection of the latrines, &c.

No. 61. ORDER THEREON, 6th April 1875, No. 748.

Under the explanation now given the Government sanction the reduction of the fee for the registration of carts from 1 Rupee to 12 Annas.
