No. 66. Read the following Proceedings of the Madras Government in the Public Works Department, dated 16th March 1875, No. 735 :—

ABSTRACT.—Passing orders on the Provincial Budget Estimate for 1875-76.

No. 67. ORDER THEREON, 6th April 1875, No. 752.

Orders having already been issued separately sanctioning an allotment on account of Public Works Supervision for the "Educational Fund Works," all that is needed now is to make the requisite allotments for supervision in connection with the Police Lodging Fund, and the Port and Canal Funds, referred to in paragraph 7 of the foregoing order.

2. *Police Lodging Fund.*—The balance under this fund, as per Order, dated the 31st March 1875, No. 736, (Judicial) is Rupees 22,618-8-0. From this Rupees 2,325½ will be allotted on account of Public Works Supervision for alterations proposed in the Inspector-General's Office estimated at Rupees 9,302.

3. *Port Fund.*—The works to be carried out from this fund are estimated at Rupees 20,436, the charge for Supervision, at 25 per cent., amounts to Rs. 5,109. This is assigned. The probable balance under the fund will be reduced to Rupees 87,303.

4. The charges on account of the Canal Fund are set down at Rupees 17,200. From G.O., Financial Department, dated 12th February 1875, No. 308, paragraph 12, it appears that under "Cochrane's and Sadras Canal Fund" the cost of "New Works" was estimated at Rupees 4,100, and of "Repairs" at Rupees 24,100, or together Rupees 28,200, for which Rupees 7,050 were provided for "Public Works Supervision" at the rate of 25 per cent. It is not clear therefore what further allotment is needed for Supervision on account of Establishment.

5. The charge for "Political Works" being a charge against Provincial Services, the cost of Supervision must be met from those services in common with all other works undertaken from Provincial Funds. There is no separate fund for the execution of such works.

6. No grant has yet been made by the Government of India on account of the Upper Godavery Works.

7. The transfer of Rupees 3,229 from the sum of Rupees 7,229 for the Subsidiary Jail at Kavali, is approved. But the transfer of Rupees 4,000 for improvment to the Sub-Collector's Cutcherry at Darsi, is not approved; the object of the Convict Labor Fund not being to provide for such buildings, but only for buildings connected with Jails.

8. The Accountant-General is authorized to make the needful transfer of funds to the Public Works Department.

Read again Public Works Department Proceedings for March 1874, Nos. 1-2, and August 1874, Nos. 2-4.

Read also Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, dated India Office, London, 6th August 1874, No. 72.

MY LORD,—I have read with attention the report by Colonel Rundall on the Upper Godavery Works which was enclosed with your Excellency's letter, No. 61 of 27th April last. I observe that you have invited the careful consideration of the Madras Government to certain suggestions of Colonel Rundall's the adoption of which would involve some further expenditure in connection with the works. It should be borne in mind that the orders issued two years ago, for stopping the Godavery improvement works, were the result of very careful considerations on the part of your Government, and also that the works are calculated to benefit the Nizam's territories on the right bank of the river, much more than the British territory on the left bank. I consider therefore that it might be advisable to obtain from the Resident at Hyderabad a report showing in what light the undertaking is regarded by himself and by the Nizam's Government, and I should also be glad to be placed in possession of your opinion, formed in communication with the Government of Madras, upon the question, whether it is possible, by any further expenditure, to make that which has been already incurred profitably, directly or indirectly, to the Indian Exchequer, and if so, whether it would be desirable to authorise that expenditure.

ORDER.—Ordered that a copy of the Despatch last read be forwarded to the Government of Madras in the Public Works Department for information, in continuation of Public Works Department Resolution, No. 338-42C of 29th July 1874, with intimation that the Resident at Hyderabad will be addressed as proposed by the Secretary of State, through the Government of India in the Foreign Department. Ordered also that copy of the Despatch and of the Proceedings first read be forwarded to the Foreign Department for reference to the Resident at Hyderabad for report as indicated by the Secretary of State.

Resolution by the Government of India, Public Works Department, Upper Godavery Navigation Works.

Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, dated India Office, London, 8th October 1874, No. 88.

MY LORD,—I have received your Excellency's letter, No. 114 of the 10th August last, reporting the proceedings of your Government in connection with the Upper Godavery Navigation Works.

2. I observe that with the consent of both the Governments concerned the 1st Barrier works have been transferred to Madras, and, with the object of giving more freedom to the Madras Government, they are to be treated henceforward as "Provincial;" and that to satisfy the Madras Government, who had objected to this transfer, an addition will be made to the Provincial Budget allotment for that Presidency, suited to the limited scale on which you now propose the works shall be maintained.

3. You have recorded an opinion that no improvements and extensions of the works should be sanctioned except on the ground that they will increase the return on the capital invested in them. On this point it will be sufficient to refer you to my Despatch of the 6th August last, No. 72, in which I expressed a desire to be placed in possession of your opinion on the subject, formed in communication with the Government of Madras, and the Resident at Hyderabad.

ORDER.—Ordered that copy of the above be forwarded to the Government of Madras, in the Public Works Department, and the Resident at Hyderabad, in continuation of Public Works Department Resolution, No. 424-5 C. W., dated the 12th September 1874.

Upper Godavery Works.—The Government of India addressed on the subject of the transfer of the works to the Madras Presidency.

PUBLIC WORKS DEPARTMENT,
FORT ST. GEORGE, *4th January* 1875.

No. 21.

No. 11.

FROM

COLONEL G. W. WALKER, R.E.,
Secretary to the Government of Madras.
Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

CIVIL WORKS, No. 2.

SIR,—I am directed to acknowledge receipt of observations of the Government of India, No. 338 of 29th July, on the subject of the transfer of the Upper Godavery Works to the Madras Presidency, both the works and grants for the same henceforth becoming Provincial ; and, with reference also to despatch from the Secretary of State for India, communicated with Proceedings of Government of India, No. 424 of 12th September, I am to reply that the charge is accepted by His Excellency the Governor in Council on the understanding that with it is not assumed any obligation to extend the present field of Navigation, under pressure of future representations from any quarter whatever, at the cost of Provincial Funds, unless the Government of Madras should be convinced that the suggested improvements and extensions will give a direct return on the Capital invested, and be assisted by the Government of India to raise the necessary funds on reasonable terms.

2. For the current year it will suffice if the existing establishment and grants in the Public Works Budget of 1874-75 be transferred, and a separate grant of Rupees 12,000 be made on account of the Coal Boring operations at Beddadanole, as per estimate recorded with Proceedings of this Government, No. 2,678 of 19th September, with Rupees 1,000 added for extra cost of operations on Colonel Applegath's supposed Coal Field, alluded to in Mr. Under Secretary Lyall's letter No. 94 of 8th June. But for future years it will be necessary that the grant to Provincial on account of the Upper Godavery Works be increased by the sum of Rupees 2,000, being in round numbers the difference between the salary of Mr. Vanstavern, an Executive Engineer of the 2nd grade, whose services it is proposed to retain permanently, and that of Mr. Weedon, an Executive Engineer of the 3rd grade, now at Dumagudiem, whose services it is proposed shall revert to the Government of India from 1st April 1875.

3. It is presumed that Provincial assignments to the Central Provinces Administration already exist to an extent adequate for the maintenance of existing Civil Buildings and Communications in the Pergunnahs transferred to Madras.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

No. 413. ORDER THEREON, 16th March 1875, No. 735.

ACCOUNT, No. 25.

THE grant from Provincial Funds assigned to the Public Works Department having been fixed by Financial Order, No. 345, of 16th February 1875, at 8 lakhs of rupees, that amount is distributed as follows:—

——	New Works.	Repairs.	Total.

Minor New Works at the disposal of District Engineers ...	11,000	...	11,000
		Total ...	8,00,000

2. Owing to the smallness of the grant, it has been found impossible to allot funds for any buildings not already in progress, but a very few really urgent works. And for the same reason, nothing has been left at the disposal of Government under the head of Reserve. District Engineers will be careful not to exceed the allotments under Repairs, as it will not be possible to augment the grants under that head.

6. In the Educational Fund Budget received with the Financial Order, No. 2,171, of 29th December 1874, the grant made for establishment on account of works to be executed by the Public Works Department is Rupees 2,720 only; but, as the total of the Educational Fund Works (including the Senate House and the Combaconum College for which grants have been entered subject to the confirmation of the Financial Department) amounts to Rupees 96,371, that department will be requested to provide 25 per cent. on the total grant.

7. The Financial Department will also be requested to provide 25 per cent. on account of Establishment charges on the sums noted in the margin for Police Lodging, Port and Canal Fund Works, as well as for the residence of the Prince of Arcot, for which a sum of Rupees 32,400 is entered.

* G. O. No. 25, of 7th January 1875.

† Inclusive of Rupees 1,300 for the maintenance of Plant at Paumben. G. O., No. 1,876-A, of 24th July 1873.

to the Government of India, and G. O., No. 10 of the same date, in which a grant to Provincial of 32,000 Rupees on account of the Upper Godavery Works, whereof Rupees 8,000 is chargeable to Works, and Rupees 24,000 to Establishment, is accepted.

9. The Police grant has in accordance with the usual practice been shown in lump sums, the detailed distribution being given in G. O., No. 3,594, dated 21st December 1874, and No. 131, dated 18th January 1875, and modified by G. O., No. 617 of 3rd March 1875; but it will be distinctly understood that the grants lapse unless plans and estimates have been submitted in time for sanction before the 1st April—see G. O., No. 1,654 of 9th July 1872.

10. In paragraph 12 of the Financial Department G. O., No. 2,175 of 30th December 1874, Rupees 22,289 are allotted from the Convict Labor Fund for certain jail works. The w[illegible]ks for which the above sum is given are noted below :—

		Rs.
1.	*North Arcot.*—Enlarging No. 4 ward and workshed for Nos. 2 and 4 wards of the Central Jail at Vellore ...	6,880
2.	*Kurnool.*—Completion of the Subsidiary Jail at Kurnool ...	3,530

5.	*Kistna.*—Gudivadah and Rapully Subsidiary Jails	2,779
	Total ...	22,289

Nos. 1, 3, and 4 are entered in the Budget now circulated; Nos. 2 and 5 have been omitted therefrom, as provision to the full extent has been made for them in the orders disposing of the statements of Savings and Demands. The allotments made for these latter works as well as the excess grant of Rupees 920 over the amount of the estimate sanctioned for No. 4, amounting in the aggregate to Rupees 7,229, are, therefore, available for transfer, and the Financial Department will accordingly be requested to transfer this sum to the following sanctioned works :—

		Rs.
1.	*Nellore.*—Improvements to the Sub-Collector's Cutcherry at Darsi—G. O., No. 1,488, of 11th August 1874, Financial Department	4,000
2.	*Do.* —Subsidiary Jail of two wards with out-buildings and alterations to the Tahsildar's Cutcherry at Kavali—G. O., No. 1,488, of 11th August 1874, Financial Department	3,229
	Total ...	7,229

11. In the Budget received from the District Engineer, Vizagapatam, the Subsidiary Jails at Gajapatinagaram and Palcondah are entered, and G. O., No. 1,119, dated 6th April 1869, quoted as the authority sanctioning the estimates. On reference to paragraph 4 of G. O., No. 1,204 of 29th August 1871, Judicial Department, communicated with Public Works G. O., No. 87 of 9th September 1871, the District Engineer will observe that these sanctions have been cancelled.

12. Several District Engineers have entered in their Budgets, Works for which plans and estimates have not been sanctioned by Government. It is strictly enjoined that in future Budgets none but works for which plans and estimates have been duly sanctioned by Government, or those for which plans and estimates have been submitted and are pending the orders of Government, shall be entered. Heads of Departments will be requested to place themselves in communication with District Engineers, so that plans and estimates may be prepared and submitted for sanction in time for entry in the Budget.

Proceedings of the Madras Government, Public Works Department,
16*th March* 1875.

13. It is also observed that in some districts, especially in those of Godavery, Kistna, Cuddapah, and Malabar, several works below 2,500 rupees, which cannot find a place in the Budget, have been entered. District Engineers will, in future, be careful to exclude such works from their Budgets.

14. Below is an abstract of the sums placed at the disposal of the Officers of the Public Works Department in addition to those already made available under Ordinary and Extraordinary and Imperial Buildings and Roads :—

Provincial Budget Estimate for 1875-76.
Passing orders on the —

Financial Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter Proceedings P.W. Dept dated 16 March 1875 No 735.

Order thereon.

Orders having already been issued separately sanctioning an allotment on account of Public Works supervision for the "Educational Fund Works," all that is needed now is to make the requisite allotments for supervision in connection with the

the Police Lodging fund, and the Port and Canal funds referred to in para 7 of the foregoing order.

2 Police Lodging fund- The balance under this fund, as per order dated the 31st March 1875- No 736 (Judicial) is Rupees 22,618-8-0. From this Rupees 2,325½ will be allotted on account of Public works supervision for alterations proposed in the Inspector General's office estimated at Rs 9,302

3. Port fund- The works to be carried out from this fund are estimated at Rupees 20,436- the charge for supervision, at 25 per cent, amounts to Rupees 5,109- This is assigned- The probable balance under the fund will be reduced to Rupees 87,303-

4 The charges on account of the Canal fund are set down at Rupees 17,200- From G.O. Financial Dept dated 12 February 1875-No 308. para

para 12, it appears that under "Cochrane & Sadras Canal Fund" the cost of "new works" was estimated at Rupees 4,100 and of "Repairs" at Rupees 24,100, or together Rupees 28,200, for which Rupees 7,050 were provided for "Public works supervision" at the rate of 25 per cent. It is not clear therefore what further allotment is needed for supervision on account of Establishment.

5. The charge for "Political work" being a charge against Provincial Services, the cost of Supervision must be met from those services in common with all other works undertaken from Provincial funds. There is no separate fund for the execution of such works.

6. No grant has yet been made by the Govt of India on account of the Upper Godavery works

works.

The transfer of Rupees 3,229 from the sum of Rupees 7,229 for the subsidiary Jail at Karachi is approved. But the transfer of Rs 4,000 for improvement to the Sub Collector's Cutchery at Dharwar is not approved; the object of the Convict Labor Fund not being to provide for such buildings but only for buildings connected with Jails.

8. The Accountant General

General is authorized to make the needful transfer of funds to the P. W. Dept.
