Municipal—Medical.

No. 68. Read the following letter from R. W. BARLOW, Esq., President of the Municipal Commission, Conjeveram, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Sydapet, 31st March 1875, No. 36:—

The Government having in their Order, dated 25th March 1873, No. 397, Financial, declared that twenty-five per cent. of the salaries of Medical Officers in charge of Dispensaries within Municipalities is a fair proportion to be met from Provincial Funds, the Municipal Commissioners of Conjeveram claimed contribution on account of the pay of the Native Surgeon for 1873-74; but I pointed out to them in reply that this could not be done, as no provision was made for the purpose in the Budget of that year.

2. As the Commissioners, however, reiterate their claim, *vide* copies of their letter and of its enclosure enclosed, I have the honor to request that Government will, if they see fit, sanction the contribution which amounts to Rupees 750.

3. I am addressing the Government separately regarding the financial position of the Municipality alluded to at the conclusion of the Vice-President's letter.

From V. DORASAMY IYER, Vice-President of the Municipal Commission, Conjeveram, to R. W. BARLOW, Esq., President of the Municipal Commission, Conjeveram, dated Conjeveram, 28th February 1875, No. 20.

With reference to your letter, No. 3, dated 16th January 1875, I have the honor to enclose an extract from the resolution of the Commissioners.

2. Though the contribution of the Native Surgeon's pay from Provincial Funds for 1873-74 was omitted in the Budget for that year, the fact of the G. O., No. 397, being passed on the 25th March 1873, a week after the date of the passing of our Budget, entitle us to a claim for that year's contribution. In consideration of our present critical financial period, I beg to request that you will be pleased to apply for the grant.

4. Read President's letter No. 3, dated 16th ultimo, in reply to the Vice-President's reference that no contribution can be made out of the Provincial Funds on account of pay of the Native Surgeon for 1873-74, on the ground that the amount was not entered in our Budget for that year and sanctioned by the Government.

Resolved that the Commissioners request the President to be good enough to ask the Government for the money, as we are much in need of it.
