Local Funds—Roads.

No. 70. Read the following Proceedings of the Board of Revenue, dated 3rd April 1875, No. 2662 (Miscellaneous):—

Read the following letter from R. W. BARLOW, Esq., President of the Local Fund Boards, Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Karunguli, 20th February 1875, No. 24:—

In forwarding a supplemental estimate of Rupees 5,044 for the gravelling and metalling of the road from Tirukalikundram to Karunguli, I have the honor, under the circumstances stated in the enclosed extract from the Proceedings of the Chingleput Board passing the same, to request that it may be sanctioned from the unexpended balance of last year.

2. The road is under construction by the Revenue Department on the estimate sanctioned in G.O., No. 1565, dated 16th September 1874, Financial Department, and the present estimate having been prepared by the Revenue Department for execution by "other agency" has also, like the original one, not been signed by the District Engineer.

3. I have recently ridden over a good part of this line; earth-work has been completed nearly throughout, and I agree with the Vice-President in thinking that "it is very important that the work should be executed before the close of the official year," and request that immediate sanction may be obtained for the estimate.

From R. W. BARLOW, Esq., President of the Local Fund Boards, Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 17th March 1875, No. 34.

I have the honor to invite the attention of the Board to my letter of the 20th ultimo, No. 24, and request that speedy orders may be obtained sanctioning the supplemental estimate of Rupees 5,044 for gravelling the road from Karunguli to Tirukalikundram, in view if possible to the work being completed within the year which is fast drawing to a close.

The supplemental estimate, amounting to Rupees 5,044, for gravelling and metalling the road from Karunguly to Tirukalikundram is submitted for the sanction of Government.

2. The original estimate amounting to Rupees 7,550 was sanctioned in G.O., Financial Department, dated 16th September 1874, No. 1565. It was intended to serve as a sample of a cheap cross-country road, and did not provide for the cost of the gravelling and metalling now estimated for.

3. On the receipt of the sanction of Government, the Board will provide the requisite funds.
