No. 72. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated 19th March 1875, No. 725:—

Book Department.

With reference to G.O., Financial, No. 608, dated 18th March 1875, I have the honor to report that the orders of Government, No. 74, dated 16th January 1875, Financial Department, are kept in view. I beg to point out, however, that the grant for Public Works being debited monthly in the Provincial Fund Accounts under Public Works, and credited in the Local Funds Accounts under I., Allotment from General Revenues, while the expenditure on Public Works of any one month is not reported by the Controller of Public Works Accounts till some months afterwards, it will be most convenient, in order to prevent constant adjustments, if the grant-in-aid be deducted in the final accounts of the year from the total amount of expenditure under I., Public Works Local Funds.

No. 73. ORDER THEREON, 6th April 1875, No. 755.

The Government consider that it will be quite sufficient if the deduction is made in the final accounts of the year in the manner proposed by the Accountant-General.
