Proceedings of the Madras Government, Financial Department,
6th April 1875.

Local Funds—Roads.

No. 76. Read the following Proceedings of the Board of Revenue, dated 31st March 1875, No. 762 :—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Boards, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Tiruvadanai, 22nd February 1875, No. 39 :—

I HAVE the honor to submit for sanction an estimate (with a plan) for reconstructing the road from Thovariman to Melakal, at a cost of Rupees 9,400, passed by the Local Fund Board, Madura Circle, in Proceedings No. 34 of 1875, copy of which is herewith forwarded. The estimate provides for metalling the road and for constructing certain new tunnels to make the road substantially good.

2. A portion of this road was made and completed in July 1874, under an estimate for Rupees 5,110, sanctioned in G. O., dated 15th October 1873, No. 1,505, Financial Department. The road is now in a very bad state, and requires to be improved by metalling it and constructing the tunnels. The necessity for such a large outlay so soon after its completion is owing to the preparation of an inadequate estimate in the first instance.

EXTRACT from Proceedings of the Local Fund Board, Madura Circle, dated 15th February 1875, No. 34.

Read letters from the District Engineer, dated 11th and 26th January 1875, Nos. 4208 and 4406, forwarding for sanction an estimate for Rupees 9,400, for metalling the road from Thovariman to Melakal, which is much worn out and in bad order.

This road was commenced in January 1874 and completed in July of the same year, at a cost of Rupees 5,080, according to the estimate prepared by the late District Engineer. The present District Engineer says that the road must be metalled at a cost of Rupees 9,400 to enable it to bear the traffic over it. The road is undoubtedly in bad order, and the estimate is passed, but the preparation of an inadequate estimate in the first instance is very unsatisfactory.

(True Extract.)

(Signed) W. McQUHAE,
President.

THE estimate, Rupees 9,400, for metalling and improving the road from Thovariman to Melakal in the Madura Circle, will be submitted for the sanction of Government.

2. An estimate of Rupees 5,110 for constructing the unmade portion of the road was sanctioned in G. O., dated 15th October 1873, No. 1,505, but is stated to have been insufficient, and the Board of Revenue cannot but express concurrence with the remark made in the Resolution of the Local Fund Board. Estimates should always embrace the whole work to be done.
