No. 94-A. From A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Coimbatore, 24th March 1875, No. 6.

With reference to Proceedings, Madras Government, 16th March 1875, No. 80, forwarding a letter from the Deputy Inspector of Schools, South Coimbatore, regarding the Results grants which are now strictly debitable to the Municipality of Caroor, but which had not been included in the Municipal Budget for the five months of the current year during which it had been instituted, and for which the Municipality had no funds, I have the honor to state, for the information of Government, that the Local Board resolved to defray such charge for the current year, it being within their budgeted allotment.

2. It is not known to what the Deputy Inspector of Schools refers, when he states he has been trying for the last three months to ascertain whether or not there are funds; he should have quoted correspondence, if any.

3. As regards the statement in the Inspector of School's letter to the Director of Public Instruction, that the President has "not treated the representation of the Deputy Inspector of Schools with that attention that might have been expected," I note, for the information of Government, that the letter of the Deputy Inspector, dated 5th December 1874, requesting a grant from the Municipal Funds, was referred to the Vice-President, Caroor Municipality, on the 12th December 1874. His reply, dated 3rd February 1875, requesting that the grants for this year should be paid by the Local Board, was placed before the next Local Fund Board Meeting of 17th February 1875, and approved, on which extract was furnished to the Deputy Inspector of Schools on the 6th March 1875. Thus Government will perceive that there was no want of attention shown by the President.
