Local Funds—Education.

No. 136. Read the following Proceedings of the Board of Revenue, dated 19th June 1874, No. 1503 :—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 18th May 1874, No. 603 :—

With his letter of the 28th ultimo, No. 39, the Deputy Inspector of Schools, Ongole, submitted for the favorable consideration of the Local Fund Board a letter from the Tahsildar of Udayagiri, enclosing a "maharjare" (petition) presented to the latter officer by the principal inhabitants of that place, praying for the establishment of an Anglo-Vernacular Boys' School in their village with three Masters, one for English, another for Telugu, and the third for Hindustani.

2. The Tahsildar bases his recommendation on the ground of Udayagiri being a large village, the Kusbah of the Taluq, with a population consisting of a large admixture of Hindus and Mahomedans of 3,285 souls.

3. The establishment of this school was sanctioned by the Local Fund Board at their last Meeting—*vide* Resolution, No. 180, copy subjoined—and I have the honor to request, accordingly, that the sanction of the Government to its establishment may be obtained, and that the cost of the establishment, estimated at Rupees 34-8-0 per mensem, may be defrayed from the General Fund balance of the current year.

4. From G.O., of 16th September 1868, it will be observed that an Anglo-Vernacular School was once established and maintained at Udayagiri under the provisions of Act VI. of 1863. The school was, however, ultimately closed on the withdrawal of the grant-in-aid consequent on the subscriptions not having been punctually paid.

The establishment of this school, as proposed by the Tahsildar, is sanctioned. The staff of Teachers proposed is also approved.

2. As two Vernaculars are taught, the school must be an expensive one, but it is made far too much so by the provision for teaching English. The Board think this should be disallowed.
