Proceedings of the Madras Government, Financial Department,
14th April 1875.

Local Funds—Education.

Read the following papers:—

No. 144. From E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 19th March 1875, No. 599.

Referring to my letter, No. 431, of the 25th ultimo, I have the honor to submit the explanation called for from the Deputy Inspector of Schools, Cuddalore Circle.

From ELAIYATAMBI PILLAY, Deputy Inspector of Schools, Cuddalore Circle, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, Madras, dated Cuddalore, 13th March 1875, No. 113.

With reference to your Proceedings, No. 219, of the 29th January 1875, calling for explanation regarding the extract from the letter of the President of the Local Fund Boards, South Arcot, I have the honor to inform you that, as the notice for the first meeting did not reach me in time, I was not able to attend to it. But as regards the second meeting I attended it but rather late, as the day was cloudy and I could not exactly make out the time. It will be seen from the accompanying papers, in one of which I was instructed by the Inspector of Schools not to keep communication with the President direct, that I should have stood little backward in giving any information to the President direct. But when I was called on by the President himself, I gave the required information thinking it necessary to do so. The other paper will show the cause why the detailed statement of the probable results grant expenditure reached the President only on the morning the Budget was passed.

No. 1988.

Remitted to the Director of Public Instruction for expression of opinion on the adequacy of the explanation offered.

FORT ST. GEORGE,
25th March 1875.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 145. From Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 7th April 1875, No. 707.

I have the honor, with reference to endorsement, No. 1988, of the 25th ultimo, on the accompanying letter, No. 599, of the 19th idem, to state that the Deputy Inspector's explanation as to the cause of his being on tour late in attending a meeting of the Local Fund Board, which was specially convened in consequence of his absence from a former meeting, seems totally inadmissible, and that no explanation whatever is afforded of his presuming to say to the President of the Local Fund Board that, as the appointment of member was an honorary one, he would only attend when it suited his convenience.

2. His conduct on this occasion is sufficient to show that he entirely misunderstands his position as a Deputy Inspector, but irrespective of this matter, charges of general neglect of duty, wilful and persistent disobedience of orders, and habitual drunkenness were preferred sometime ago against him by the Inspector of the Division. Mr. Powell considered that further evidence as to his habit of

drinking was required, and I am now awaiting the result of the detailed inquiry, which Mr. Fowler has been directed to make.

No. 146. ORDER THEREON, 14th April 1875, No. 836.

The Government agree with the opinion expressed by the Director of Public Instruction in the first paragraph of his letter, and leave it to him to take such notice of the matter as he may think fit after the completion of the further inquiry alluded to.
