Proceedings of the Board of Revenue, *19th June* 1874, *No.* 4152 (*Mis.*).

Read the following letter from H. SEWELL, Esq., Acting Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Bellary, 2nd June 1874, No. 167 :—

I have the honor to forward, duly countersigned, the accompanying four plans, with four estimates and a specification, for the construction of a Dispensary building at Tadpatry, together with a copy of the Proceedings of the Gooty Local Fund Board passed thereon at a meeting held on the 15th May 1874, and to request that you will be good enough to obtain the sanction of Government for the same.

2. The estimated cost of the work amounts to Rupees 9,215, and a provision of only 2,000 Rupees has been made in the current year's Budget for expenditure on the work. But as there is a large unappropriated balance of last year at the credit of General Fund, I request that the difference of Rupees 7,215 may also be allotted for the work from that source, and placed at the disposal of the Public Works Department.

The estimate will be submitted for the orders of Government through the Surgeon-General.

Proceedings of the Board of Revenue, *11th July* 1874, *No.* 4642 (*Mis.*).

Read the following letter from Surgeon-Major C. COOPER, M.D., Acting Secretary to the Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 23rd June 1874, No. 3893 :—

I have the honor, by order, to acknowledge receipt of the Proceedings of the Board, No. 4152 (Miscellaneous), of the 19th instant, with plans and letters enclosed.

2. I have the honor to mention that in the year 1872, Government ordered the Surgeon-General and the Sanitary Commissioner to furnish a plan for the ordinary Civil Dispensaries of the country, and a plan was prepared, of which Government approved. I am directed to send a copy of it, and to re-enclose the plans proposed for Tadpatry, by which the Board will see that there is no similarity between that of which the Government have approved and that now proposed, and, unless there be reasons for deviating from the standard, adherence to it would be preferable.

3. Copies of the Standard Plan have already been distributed, but as the Board may wish to have spare copies at hand, I am directed to send six more of them.

Communicated to the President of the Bellary Local Fund Boards, who will give details as to the accommodation provided in the proposed building, and give the reasons which have led the Local Fund Board to deviate so entirely from the Standard Plan.
