I HAVE the honor to forward, for submission to Government, a letter, No. 42, of the 30th ultimo, from the President of the Local Fund Boards, Godavery District.

2. I recommend that the proposals of the Cocanada Local Fund Board be sanctioned.

ENCLOSURE No. 1.

From W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, Madras, dated Viravasaram, 30th January 1875, No. 42.

ADVERTING to the G. O., dated 23rd July 1874, No. 1,217, I have the honor to inform you that the Local Fund Board of the Cocanada Circle have, at a meeting held on the 21st instant, resolved to establish two elementary schools in the villages of Draksharama, in Ramachendrapur Taluq, and Bendamurlanka, in Amalapur Taluq, at an annual cost of Rupees 480 as detailed below :—

2. These two villages are large ones, and it is reported that there are about forty boys in each who would be sent to the schools. Moreover, there is not any Local Fund school within a convenient distance. The Deputy Inspector of Schools, Cocanada Circle, was also present at the meeting and explained the necessity for their establishment.

3. I therefore request you will obtain the necessary sanction of Government through the Board of Revenue, as the cost of the same can be met from the general savings of the allotments under Grant II. for the next official year.

SUBMITTED for the orders of Government.

2. The Board would prefer that the schools should be organized on the combined salary and results grant system, which appears particularly likely to succeed in the cases in question.

No. 149. ORDER THEREON, 15th April 1875, No. 844.

The Government agree with the Board of Revenue that it would be better to adopt the combined system of fixed stipends and results grants.

2. From paragraph 23 of the Proceedings of the Board of Revenue embodied with the Proceedings of Government, dated 1st February 1875, No. 188, it appears that the Local Board contemplate opening several schools on that system during the current year.
