No. 158. Read the following Proceedings of the Board of Revenue, dated 13th April 1875, No. 2862 (Miscellaneous) :—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Nellore, 9th March 1875, No. 284 :—

With his letters,* Nos. 110 and 117, of the 12th and 22nd ultimo, the District Engineer forwarded, for sanction, two estimates (1) amounting to Rs. 18,500 for metalling and gravelling the section of the Great Northern Road from the 33rd to the 49th mile; and (2) amounting to Rupees 23,140 for metalling and improving portions of the same road from the 154th to the 195th mile.

* Copies enclosed.

2. The estimates were laid before the last meeting of the Local Fund Board and sanctioned—*vide* Resolution, No. 35 (copy subjoined). I have the honor accordingly to submit them with a request that the early sanction of Government may be obtained.

3. I am satisfied of the absolute necessity of this expenditure. The Budget allotment for 1875-76 for the Great Northern Road is Rupees 17,900, and the intention of the Local Fund Board in fixing those figures was that Rupees 10,000 of the amount should be spent on these supplemental estimates, and Rupees 7,900 on the original estimate.

The estimates are submitted for the sanction of Government.

I have the honor to submit for sanction, an Estimate amounting to Rupees 18,500 — — for metalling and gravelling the Arambank section of the Great Northern Road, and to inform you that those miles (34th to 49th inclusive) are in bad order and that the extra road material, required to improve

them, cannot be provided
from the small maintenance
grant available for that com-
-munication.
