No. 176. Read the following Proceedings of the Board of Revenue, dated 6th April 1875, No. 829 :—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Gudiattam, 29th January 1875, No. 44 :—

WITH reference to G.O., Financial Department, No. 1677, dated 5th October 1874, sanctioning the construction of a Dispensary building, at Tripatty, at an estimated cost of Rupees 8,800, I have the honor to state that, in my letter recorded in the above order, I proposed, at the instance of the Local Fund Board of the Chittoor Circle, that the work should be executed by the "Other Agency," considering that it would not be fair to call upon the Mahout of Tripatty, whose contribution keeps up the institution, to pay the additional charge of 25 per cent. for Public Works Supervision, if the work were to be intrusted to that department.

2. On receipt of the above Order of Government sanctioning the estimate, the District Engineer pointed out to the Board the undesirability of the course adopted by them, and stated that a work of this kind, if executed by the Revenue Department without professional supervision, will cost, in bad work or excessive prices, considerably more than the sum required for Public Works Supervision. As this suggestion was reasonable, the Mahout was requested to state if he would be willing to bear this additional cost, amounting to nearly Rupees 2,200, which sum he has readily consented to pay. The Local Fund Board have, therefore, resolved, at their meeting held on the 22nd instant, to hand over the work to the District Engineer for early execution, and I intimate this fact for the information of Government.

SUBMITTED, as desired, for the information of Government.

2. The proposals contained in the foregoing letter are approved.

3. Authority is also granted for the transfer of the allotment of Rupees 5,800 from Other Agency to the Public Works Department for the erection of a Dispensary building at Tripatty, which appears as Item No. 10 in Part I. of the Budget of the Chittoor Circle for 1875-76.
