No. 185. To the Secretary to the Government of Bombay, dated Fort St George, 19th April 1875, No. 874.

I am directed to request that, with the permission of the Right Honorable the Governor in Council, you will be so good as to favor me with information regarding the practice prevailing in the Presidency of Bombay, in connexion with the execution of Public Works from funds administered by Local Boards or District Road Committees. The points on which information is specially required are—

1. Has a separate Public Works Establishment (other than Petty Establishment) been entertained by the Local Boards for such works.
2. If so, does such establishment work entirely independently of the General Public Works Establishment of the Presidency, or is the latter entrusted with a general supervision of the work executed.
3. If such supervision is exercised, what charges are debited to the Local Funds on that account.
