No. 188. Read the following Proceedings of the Board of Revenue, dated 6th April 1875, No. 830:—

Read the following letter from A. MACGREGOR, Esq., President of the Local Fund Boards, Malabar District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 11th March 1875, No. 499:—

WITH reference to the concluding part of paragraph 2 of the Proceedings of the Board of Revenue, No. 326, dated 12th February last, I have the honor to state that the Moplah Inspecting Schoolmasters of Calicut and Tellicherry Circles have been drawing a mileage allowance of two annas per mile since July 1872 and June 1873, respectively, and that the Accountant-General has passed the charge.

2. These Inspecting Schoolmasters are allowed a special rate of batta, as they have to travel over a much greater area than the Hindu Inspecting Schoolmasters, and the usual rate of eight annas per diem will hardly cover their travelling expenses.

3. I request that sanction be now given to the charge with retrospective effect.

THE Local Fund Board of the Tellicherry Circle sanctioned by resolution a mileage allowance of two annas instead of daily batta of eight annas to the Inspecting Schoolmasters of Moplah Schools. It appears that the allowance has been drawn in the Calicut and Tellicherry Circles, and passed by the Accountant-General since July 1872 and June 1873, respectively. In the above letter the President explains the reasons for the measure which seem to the Board to be good, and the sanction of Government is accordingly requested.
