No. 202. From R. W. LODWICK, Esq., Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 9th March 1875, No. 698.

Book Department.

With reference to G.O., No. 521, dated 8th instant, Financial, I have the honor to report that this office has no objection to offer to the suggestion, but as the usual annual grants to the Madras Municipality average about Rupees 20,000, and the payments to be made by it on account of Medical Services average about Rupees 45,000, only a portion of the latter can be adjusted on presentation of bills for the former. The remainder must be paid in cash by the Municipality at such times during the year, commencing from 1875-76, as the Government may determine.

2. If the arrangement is to be sanctioned, I would observe that the Madras Municipality will be excepted from the operation of the orders of Government, No. 205, dated 2nd February 1875, Financial Department.

No. 203. From J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 6th April 1875, No. 14.

I have the honor to acknowledge receipt of the Memorandum, Financial Department, dated 12th ultimo, No. 105, and to inform you, in reply, that the Commissioners are prepared to accede to the arrangement proposed therein, that the payments which they have to make on account of Hospitals and Dispensaries, Vaccination, and the Contagious Diseases Act, shall be deducted from the grants which the Government make to the Municipality for Roads and the Zoological collections, and from the Assessment payable on buildings.

2. The Municipality has already received the grant for the Zoological collections for the current year, but as that for roads and the assessment on buildings will still be in excess of the sums due on account of Hospitals and Dispensaries, Vaccination, and the Contagious Diseases Act, this will not make any difference.

No. 204. ORDER THEREON, 20th April 1875, No. 884.

As the Municipal Commissioners for the Town of Madras are prepared to accede to an arrangement whereby payments made by them on account of Hospitals and Dispensaries, Vaccination, and the Contagious Diseases Act, shall be deducted from the grants assigned to them by Government for Roads, Zoological

2. In addition to the sum of Rupees 20,000 alluded to by the Accountant-General, an annual contribution of Rupees 35,000 is made towards the maintenance of roads by the Public Works Department, whence instructions will be issued to the Controller of Public Works Accounts to transfer the amount to the Accountant-General in view to his carrying out the arrangement now authorized.
