Read again—

Board's Proceedings, dated 11th February 1875, No. 1003, (Miscellaneous).

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, Madras, dated Palmanair, 16th December 1874, No. 665.

I have the honor to state that the Superintendent-General of Vaccination repeatedly brought to the notice of the Local Fund Boards of this District the insufficiency of the present Vaccine establishment which is as follows, inclusive of the five additional hands sanctioned for the Zemindary Tracts in G.O., Financial Department, dated 1st March 1873, No. 208 :—

Taluqs. 1. Chittoor. 2. Chendraghiri. 3. Palmanair. 4. Gudiattum. 5. Wallajah.	Chittoor Circle consisting of five Taluqs and seven Divisions as per margin.	Four First-class Vaccinators on 18 Rupees per mensem. Six Second-class Vaccinators on 10 Rupees per mensem.
Divisions. 1. Punganur. 2. Venkataghirikota. 3. Kungundi. 4. Trittoni. 5. Moderpauk. 6. Narayanavanam. 7. Kalastri.	Vellore Circle consisting of four Taluqs (Vellore, Poloor, Wandawash and Arcot) and one Division (Arnee.)	First-class Vaccinators on 18 Rupees per mensem. Second-class Vaccinators on 10 Rupees per mensem.

One Superintendent on 70 Rupees per mensem for both the Circles (two-thirds of his salary being chargeable to the Chittoor and one-third to the Vellore Circle).

2. In his letter, dated 11th September last, No. 1199, forwarding the detailed estimated cost of the Vaccine Staff for inclusion in the Budget of 1875-76, the Superintendent-General again pressed the question for the immediate consideration of the Local Funds, and the Chittoor Board after full discussion of the subject set apart Rupees 1,214 to meet the increase of establishment asked for, which sum they, in consultation with the above officer, propose to utilize as follows :—

	Rs.	A.	P.
One Superintendent to complete the contribution, at 70 Rupees per mensem	278	2	4
Seven Second-class Vaccinators, at Rupees 10 each	840	0	0
One Peon, on Rupees 7	84	0	0
Total ...	1,202	2	4

3. I need hardly offer any explanation as to the necessity for the increased establishment now sought for, as the Board are doubtless well aware two Superintendents, one for each Circle, have already been sanctioned in several other districts. The area of the Chittoor Circle extends over upwards 13,600 square miles, and the success of vaccination mainly depends upon vigorous and constant inspection.

Experience has shown that even though actuated by the most anxious zeal, one Superintendent is physically unable to travel over the district and satisfactorily supervise the operations of the Vaccinators. The Taluqs and Divisions which are very extensive have now generally one Vaccinator, and the Superintendent-General proposed two for each, but the Local Fund Board are of opinion that with the above seven Vaccinators, if sanctioned, the establishment could be fairly worked. The services of a Peon to attend on the Superintendent are indispensable, and Rupees 7 have been fixed as his salary, as he will have to be constantly on the move.

These proposals involve an increase of expenditure of Rupees 280 in the *Vellore* Circle. The President should ascertain and report the views of the Vellore Local Fund Board on this point.

Read also the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Vellore, 25th February 1875, No. 98:—

WITH reference to Board's Miscellaneous Proceedings, dated 10th instant, No. 1,003, I have the honor to enclose copy of a resolution passed by the Local Fund Board, Vellore Circle, from which the Board will observe that the Local Fund Board are prepared to have a separate Superintendent for their Circle, and to meet the increased expenditure of Rupees 280 from the General Reserve of the year 1875-76.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

SUBMITTED for the orders of Government.

2. The Chittoor Local Fund Board provided a lump sum of Rupees 1,210 in the Budget of 1875-76 for increase of the Vaccine establishment, and the allotment was allowed to stand pending detailed proposals. (G. O., Financial Department, dated 20th January 1875, No. 92).

3. These are contained in the papers above read. The Chittoor Local Fund Board propose to add seven Vaccinators to the staff at a cost of Rupees 840, to provide for a Superintendent to be employed exclusively in the Circle at an additional cost of Rupees 280 (one-third of his salary, they already paying two-thirds), and to provide a Peon for the Superintendent, Rupees 84.

4. The Vellore Local Board have consented to the measure and to allot the required funds from the General Reserve of 1875-76. The extra charge will be Rupees 644, made up of two-thirds of the pay of the Superintendent and Rupees 84 for a peon. This money can be allotted from the unappropriated balance of the General Fund.

Proceedings of the Madras Government, Financial Department,
