No. 220. Read the following Proceedings of the Board of Revenue, dated 6th April 1875, No. 827 :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 20th February 1875, No. 10 :—

I HAVE the honor to forward the accompanying original letter (to be returned) No. 25, dated the 29th January 1875, from the Vice-President of the Local Fund Board of the Ellore Circle, requesting to arrange for placing Rupees 3,000 at the credit of the Ellore Municipal Fund on account of contribution for constructing a Civil Dispensary at Ellore, and request that the Board of Revenue will authorize the said sum of Rupees 3,000 to be paid to the Municipality at an early date from the General Fund balance of the Ellore Circle.

2. The Vice-President states that the Municipality is in urgent need of funds for carrying out the work within the year, and it will be seen from the accompanying resolutions passed by the Circle Board, that the Circle Board have already agreed to pay half the cost of the building.

3. The estimate for constructing the dispensary amounts to Rupees 6,200, and the amount now asked for, *viz.*, Rupees 3,000, is less than what the Circle Board have agreed to pay.

4. I requested the Vice-President to lay the matter before the Circle Board for their approval, and trust therefore that the Board of Revenue will pass early orders on the subject.

ENCLOSURE No. 1.

From W. AUSTIN, Esq., Vice-President of the Local Fund Board, Ellore Circle, to W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, dated Peddapur, 29th January 1875, No. 25.

WITH reference to the enclosed extracts from the Proceedings of this Board, agreeing to contribute towards the cost of the dispensary established at Ellore a moiety of the expenditure to be incurred on account of that institution by the Ellore Municipality, I have the honor to forward, herewith, letter No. 60, of 20th instant (to be returned), with its enclosure received from the Municipal Commissioners of the Ellore Town, applying for an advance of Rupees 3,000 being about half of the estimate passed by this Board for constructing a building at Ellore for the use of the dispensary, and to request that you will be so good as to arrange for placing the said amount at the credit of the Ellore Municipal Fund from the General Fund balance of the Circle, as almost all the allotment of the current year's budget has already been utilized under that head.

2. As the Municipality is in urgent need of funds for carrying out the work within the year (I believe), and as this Board has already agreed to pay half of the expenditure on account of the building, as can be observed from the above resolutions, I forward this application to save delay without waiting to lay the matter before this Board.

3. If you are of opinion that this matter should first be laid before the Board, and their sanction obtained, I shall do so at the next meeting, which will be held about the end of the next month.
