No. 226. Proceedings of Government in the Public Works Department, dated 17th August 1874, No. 2279 :—

Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 20th July 1874, No. 3328.

With reference to G.O., No. 140, of the 17th instant, relative to the payment of certain compensation for land to the Collector of the Kistna District, I have the honor to suggest that, in such cases, Collectors be authorized to pay the sanctioned amounts and to show the payments as debitable to the Public Works Department in their accounts to the Accountant-General of Madras.

2. Cash payments between departments are not necessary, as transactions can be adjusted between the Offices of Account of the departments concerned. I beg to refer to G.O., No. 2808, of the 20th November 1873, on the subject of payments for land.

The course suggested by the Controller, which, it is observed has already been approved* by Government, will be followed in future. Orders in this department sanctioning disbursements on account of land compensation will however not be passed in future in the absence of registers, in the prescribed form, clearly showing the particular works and estimates for which such compensation is due. It is essential that it should be apparent whence the money to be expended will be obtained, and that, where no provision has been made in estimates, the sanction and the necessary appropriations in connexion therewith should be considered at the same time.
