Proceedings of the Madras Government, Financial Department,
26th April 1875.

Municipal—Budget.

No. 254. Read the following letter from W. McQUHAE, Esq., President of the Municipal Commissions, Madura, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Andiputty, 12th April 1875, No. 36:—

With reference to G. O., No. 490, dated 4th March 1875, Financial Department, I have the honor to state that the opening balance of Rupees 4,000 for 1875-76 differs from the closing balance of Rupees 4,000 in the regular estimates for 1874-75, simply by summing up the toll and grass-rent deposits, about Rupees 730 for the first half of 1874-75, with the Treasury balance, about Rupees 3,460, though the above deposits had been included in the probable receipts of 1874-75 on tolls. The opening balance of the regular estimates for 1874-75 should, therefore, be Rupees 3,588, which is the actual ascertained closing balance of 1873-74 in lieu of Rupees 4,190.

2. In Statement IIA the item, metalling and gravelling Madura road from Pulney to Butlagundoo, at a cost of Rupees 300, was omitted through mistake.

The opening balance of the regular Estimates for 1874-75 should therefore be Rs 3,588, which is the actual ascertained closing balance of 1873-74 in lieu of Rs 4,190.
